Contact the EMRC representative 6216 3100, or sales@emrc.org.au to keep your wood waste out of landfill!

ENVIRONMENTAL BENEFITS

Did you know?

For every tonne of wood waste recycled, we save the environment in one of the following ways:

ENERGY SAVINGS of 0.5 of average household usage per year (10.73 gigajoules)

1.35 TONNES of CO² Cars removed from roads

26.6 WHEELIE BINS of landfill space saved (6.4m³)
