Corporate Business Plan 2021/2022 – 2025/2026 First Quarter Progress Report for the period, July to September 2021 (D2021/23201)

Corporate Business Plan 2021/2022 – 2025/2026

Progress Report – First Quarter 2021/2022

Introduction

The Eastern Metropolitan Regional Council's (EMRC) Integrated Planning Framework has been developed to ensure that programs and services are being delivered in alignment with the strategic priorities of EMRC's key stakeholders.

The 10 Year Strategic Plan 2017 to 2027 identifies the overarching outcomes that the EMRC Council aspires to achieve.

The newly adopted Corporate Business Plan 2021/2022 – 2025/20265 (Corporate Business Plan) is used to drive operational activities and is aligned to the priorities identified in the 10 Year Strategic Plan. These two comprise the EMRC's Plan for the Future. Strategic high-level plans guide development of actions which are prioritised during annual business planning workshops, and resourced through the annual budget.

Council adopted the latest EMRC's Corporate Business Plan in June 2021. The Corporate Business Plan is built on the foundation of three strategic Key Result Areas (KRA) identified within the 10 Year Strategic Plan 2017 to 2027. The Corporate Business Plan sets out the actions that staff will undertake to deliver on Council's strategic priorities.

Reports against the Corporate Business Plan provide Council with information on progress in relation to the achievement of projects and programs developed to achieve Council's vision "To be a responsive and innovative leader in assisting Perth's Eastern Region to be a great place to live, work, play and do business".

Updates against the Corporate Business Plan for the period July 2021 to June 2022 are provided quarterly within this document and are against the current adopted Plan.
