

EASTERN METROPOLITAN REGIONAL COUNCIL (EMRC)

Reflect Reconciliation Action Plan July 2020 – June 2021

Our Business

The Eastern Metropolitan Regional Council (EMRC) is a progressive and innovative regional local government working on behalf of the six Councils located in Perth's Eastern Region: Town of Bassendean, City of Bayswater, City of Belmont, City of Kalamunda, Shire of Mundaring and the City of Swan.

The EMRC is an incorporated body established under the Western Australian Local Government Act 1995. The EMRC's operations are governed by its Council under an Establishment Agreement. In brief, the Establishment Agreement states that the EMRC will:

- Work collaboratively with member Councils to facilitate local government to enhance its service delivery to the community;
- Be efficient and effective in delivering quality services and facilities;
- Maintain a framework which allows the members to promote and market the role of local government;
- Implement a strategic plan that is regularly reviewed; and
- Avoid providing any service or facility that adversely impacts on the services or facilities of any member Council.

In line with this brief the EMRC provides a broad range of services across the region including waste management and education, resource recovery, environmental management and regional development. Working in partnership with our six member Councils and other stakeholders, the EMRC delivers local and regional scale projects across each of these areas for the benefit of the region.

The EMRC currently employs 95 staff. There are two staff who identify as Aboriginal and Torres Strait Islander peoples at the EMRC.

The EMRC's geographical reach is regionally focussed, covering over $\frac{1}{3}$ of the Perth Metropolitan Area, or around 2,100 km². The EMRC's advocacy efforts often have state and national focus, depending on the initiative.

The EMRC operates across three locations; the Administration Office at 226 Great Eastern Highway, Belmont WA 6014; the Hazelmere Resource Recovery Park at 77 Lakes Road, Hazelmere WA 6055; and the Red Hill Waste Management Facility at 1094 Toodyay Road, Red Hill WA 6056.

Our RAP

The EMRC Council and staff identified a need to develop a RAP to acknowledge all Aboriginal and Torres Strait Islander peoples who reside or work in Perth's Eastern Region and to develop meaningful dialogue with those communities to acknowledge the concerns confronting the local community.

The RAP is also being developed to build meaningful and mutually respectful relationships and to work in partnership with both Aboriginal and Torres Strait Islander communities and to understand issues affecting Aboriginal and Torres Strait Islander communities.

The EMRC Council and staff vision for the RAP is that it will recognise diversity, harmony, and uniqueness and create lasting connections throughout the region. It also provides an opportunity to generate mutual respect and a greater understanding across cultures.

The EMRC is also developing a RAP in order to establish better ways of engaging with the Noongar people and their representative bodies in Perth's Eastern region.

The EMRC is at the very beginning of the reconciliation journey and looks forward to developing the Reflect RAP and progressing to the Innovate RAP over time. A Working Party has been formed to develop the RAP and comprises member Council Councillors with support provided by the EMRC's Chief Sustainability Officer and the EMRC's Council Support Officer. The Working Party is actively developing the RAP and is committed to ensuring successful implementation of the RAP. Reporting back to Council against the actions and deliverables of the RAP will occur at least annually.

The RAP will be championed by, the Council and staff of the EMRC and will be led by the Chair of the RAPWP.

Councillors and staff of the EMRC are involved in the development of the Reflect RAP with guidance from a representative of Reconciliation Australia.

Our Partnerships / Current Activities

The EMRC currently does not have any partnerships or activities in place but is working towards achieving meaningful community partnerships as well as internal activities such as undertaking Aboriginal Cultural Awareness training across the organisation. Other initiatives could include, but not be limited to: securing some additional local Aboriginal artworks and displaying them in prominent places within the EMRC administration building; ensuring a Welcome to Country is performed at all key EMRC events; and ensuring an Acknowledgement of Country is undertaken at the commencement of meetings and gatherings at the EMRC.

Relationships

Action	Deliverable	Timeline	Responsibility
1. RAP Working Party (RAPWP) actively monitors RAP development and implementation of actions, tracking progress and reporting	<ul style="list-style-type: none"> Maintain the operational RAP Working Party (RAPWP) which was formed to support the implementation of our RAP.
