11.1 DRAFT CORPORATE BUSINESS PLAN 2018/2019 TO 2022/2023

REFERENCE: D2018/06261 (AC) - D2018/07791

PURPOSE OF REPORT

The purpose of this report is to present the draft Corporate Business Plan 2018/2019 to 2022/2023 to Council for adoption.

KEY ISSUES AND RECOMMENDATION(S)

- Sections 5.56(1) and (2) of the Local Government Act 1995 (the Act) require that each local government is 'to plan for the future of the district', by developing plans in accordance with the regulations. The Local Government (Administration) Regulations 1996 specify that a 'plan for the future' comprises the following:
 - A Strategic Community Plan a minimum 10 year timeframe (r.19C).
 - A Corporate Business Plan a four to five year plan, which translates the 10 year strategic plan into operations (r.19DA).
- Council adopted the EMRC's Strategic Community Plan titled *10 Year Strategic Plan to 2017 to 2027* on 18 August 2016 for implementation from 1 July 2017 onwards.
- Regulation 19DA states that each local government must review its Corporate Business Plan annually.
- The previous Corporate Business Plan 2017/2018 to 2021/2022 has been reviewed and the *draft Corporate Business Plan 2018/2019 to 2022/2023* has been prepared (attached).
- The *draft Corporate Business Plan 2018/2019 to 2022/2023* sets out the actions that staff will undertake over the next five years to deliver on the 10 Year Strategic Plan 2017 to 2027.
- It is intended to report to Council against the Corporate Business Plan each quarter.
- Section 5.53 of the Act requires that an overview of the 'plan for the future' must be made in the Annual Report, including major initiatives that are proposed to commence or to continue in the next financial year. Therefore a report will be provided within the 2017/2018 Annual Report.
- In accordance with Section 6.2(2) of the Act, Council is to give regard to the "plan for the future' when adopting the EMRC's Annual Budget.
- The 2018/2019 draft Annual Budget is tabled separately for adoption.
- In accordance with r.19DA, Council is to determine whether or not to adopt the Corporate Business Plan by absolute majority.

Recommendation(s)

That:

- 1. Council by absolute majority, in accordance with r.19DA(6) of the *Local Government* (Administration) Regulations 1996, adopt the Corporate Business Plan 2018/2019 to 2022/2023 forming an attachment to this report.
- 2. Local public notice of the adoption of the Corporate Business Plan 2018/2019 to 2022/2023 be given in accordance with r.19D of the *Local Government (Administration) Regulations* 1996.

SOURCE OF REPORT

Director Corporate Services

Item 11.1 continued

BACKGROUND

Section 5.56(1) and (2) of the *Local Government Act 1995* (the Act) require that each local government is 'to plan for the future of the district', by developing plans in accordance with the regulations. The *Local Government (Administration) Regulations 1996* (the Regulations) specify that a 'plan for the future' comprise the following:

- A Strategic Community Plan a minimum 10 year timeframe (r.19C); and
- A Corporate Business Plan a four to five year plan, which translates the 10 year strategic plan into
 operations (r.19DA).

Regulation 19DA states that the Corporate Business Plan (the Plan) is to:

- Be for a minimum of 4 years;
- Identify and prioritise the principal strategies and activities Council will undertake in response to the
 objectives stated in the Strategic Community Plan;
- State the services, operations and projects that a local government will deliver over the period of the plan, the method for delivering these and the associated cost;
- Reference resourcing considerations such as asset management plans, finances and workforce plans;
- · Be adopted by absolute majority; and
- Be reviewed annually this can be scheduled to align with the setting of the Annual Budget.

In addition to the above requirements local public notice must be given when the Plan is adopted or modified.

Council adopted EMRC's Strategic Community Plan titled 10 Year Strategic Plan to 2017 to 2027 (10 Year Strategic Plan) on 18 August 2016 (Ref: D2016/06163) for implementation from 1 July 2017 onwards and EMRC's Corporate Business Plan 2017/2018 to 2021/2022 on 22 June 2017 (Ref: D2017/06618).

REPORT

Draft Corporate Business Plan 2018/2019 to 2022/2023

The EMRC has in place an integrated planning framework to ensure that strategic priorities drive operational activities.

The 10 Year Strategic Plan guides, at a strategic level, the direction that the EMRC will take over the next ten years towards achievement of its vision: "To be a responsive and innovative leader in assisting Perth's Eastern Region to be a great place to live, work, play and do business".

The draft *Corporate Business Plan 2018/2019 to 2022/2023* is an element of the integrated planning framework and has been developed to articulate the strategic direction into operational activities. Both documents form the EMRC's 'plan for the future'.

Structure of the draft Corporate Business Plan 2018/2019 to 2022/2023

The draft *Corporate Business Plan 2018/2019 to 2022/2023* sets out the actions that staff will undertake over the next five years to deliver on the 10 Year Strategic Plan. It provides high level information on capital and operating projects planned over the next five years.

Item 11.1 continued

Annual Budget

Section 6.2(2) of the Act states that "in the preparation of the annual budget the local government is to have regard to the contents of the plan for the future of the district made in accordance with section 5.56".

Both the 10 Year Strategic Plan and the draft *Corporate Business Plan 2018/2019 to 2022/2023* constitute the 'plan for the future', and Council is to give regard to both these when adopting the EMRC's Annual Budget.

The 2018/2019 draft Annual Budget is tabled separately for adoption as part of this Agenda (Ref: D2018/06262).

Reporting

It is intended to report to Council against the Corporate Business Plan each guarter.

Section 5.53 of the Act requires that an overview of the 'plan for the future' must be made in the Annual Report, including major initiatives that are proposed to commence or to continue in the next financial year. A report will be provided within the 2018/2019 Annual Report.

Review & Significant Modifications

Regulation 19CA requires that any significant modifications to the adopted *Corporate Business Plan 2018/2019 to 2022/2023* must be reported through the Annual Report. The Act does not define what constitutes a 'significant' modification. Therefore there will be a need to exercise judgement and apply a test of materiality in determining whether to report any changes.

Adoption requirements

In accordance with r.19DA(6) of *the Regulations*, Council is to determine whether or not to adopt the Corporate Business Plan by absolute majority.

The draft Corporate Business Plan 2018/2019 to 2022/2023 (attached) is before Council for adoption.

STRATEGIC/POLICY IMPLICATIONS

Key Result Area 3 - Good Governance

- 3.3 To provide responsible and accountable governance and management of the EMRC
- 3.4 To continue to improve financial and asset management practices

FINANCIAL IMPLICATIONS

As reflected in the EMRC's budget and long term financial plans.

Perth's Eastern Region – a snapshot

Perth's Eastern Region is an area of Perth which comprises six local governments: the Town of Bassendean, City of Bayswater, City of Belmont, City of Kalamunda, Shire of Mundaring and City of Swan. The region constitutes around one-third of Perth's metropolitan area encompassing a land area of about 2,100 square kilometres and an estimated population of 365,500¹ people. The Region hosts Western Australia's major air, road and rail transport hub for movement of freight and passengers throughout Perth, intrastate, interstate and overseas. The region is considered the gateway to greater Perth, through the domestic and international airports or from the highways to the north and east. With a diverse regional economy, access to a skilled workforce and a range of leisure, lifestyle and living opportunities, Perth's Eastern Region is well positioned for continued growth and represents an attractive investment destination.

The Eastern Metropolitan Regional Council (EMRC) assists its member Councils to successfully turn challenges into opportunities and to ensure that the entire Region fulfils its potential as one of Western Australia's most vibrant and fast growing areas.

About the Eastern Metropolitan Regional Council

The EMRC works in partnership with six member Councils located in Perth's Eastern Region — Town of Bassendean, City of Bayswater, City of Belmont, City of Kalamunda, Shire of Mundaring and City of Swan. Together, these six councils constitute around one third of the area of metropolitan Perth. The EMRC assists the councils to ensure that the entire region fulfils its potential as one of Western Australia's most vibrant and fast growing areas.

The EMRC's Service Delivery Model

The EMRC's Establishment Agreement provides for it to undertake a range of projects and services and provides a means for member councils to share resources and facilities. The cooperative, political and executive framework of the EMRC enables the member Councils individually and collectively to promote and advocate on issues for the benefit of local government and to better serve the community.

The EMRC represents a model of successful collaboration, and for 30 plus years, has initiated and led projects for its member Councils that deliver real benefits to the region in the areas of waste management and resource recovery, environmental sustainability and regional economic development. These services enable member Councils to enhance outcomes for their communities and for Perth's Eastern Region as a whole.

Key Stakeholders

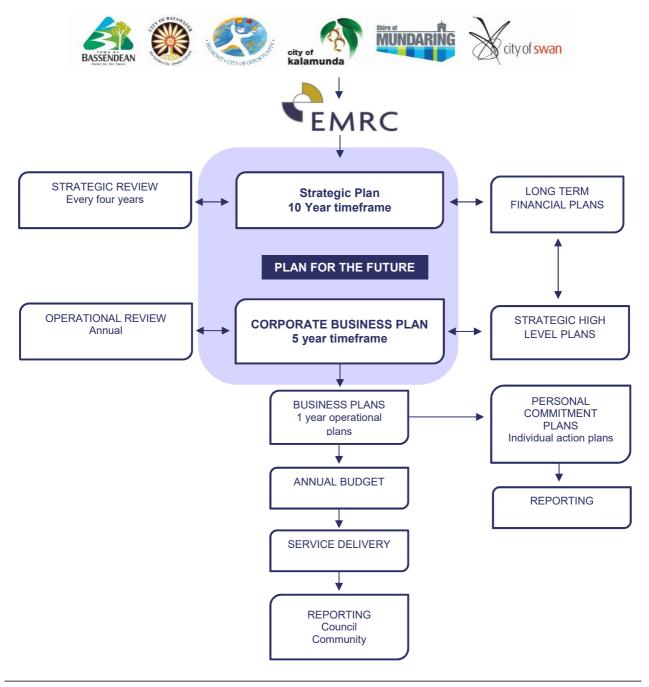

Whilst the EMRC takes a lead role in implementing a range of initiatives, the partnership with stakeholders is critical in delivering sustainable outcomes for Perth's Eastern Region. The EMRC's stakeholders are:

- The EMRC & Member Council Elected Members
- The EMRC & Member Council Staff
- Customers and clients
- Other local governments
- Federal Government Agencies
- State Government Agencies
- Non-Government Agencies
- Politicians
- Educational institutions
- Regional Business Groups
- Regional Community & Reference Groups
- Businesses
- Regional Volunteers
- Regional Residents
- Visitors and Tourists
- Investors

Integrated Planning Framework

The EMRC's Integrated Planning Framework has been developed to ensure that programs and services are being delivered in alignment with the strategic priorities of the EMRC's key stakeholders. The 10 Year Strategic Plan identifies the overarching outcomes that the EMRC Council aspires to achieve. The Corporate Business Plan is used to drive operational activities and is aligned to the priorities identified in the 10 Year Strategic Plan. These two documents comprise the EMRC's Plan for the Future. Strategic high level plans guide development of actions which are prioritised during annual business planning workshops, and resourced through the annual budget.

AC - Audit Committee - Report Attachment Item 11.1 - Draft Corporate Business Plan - 2018 2019 to 2022 2023 - 07 06 2018.DOCX Page 6

Corporate Business Plan – Legislative Requirements

Section 5.56(1) and (2) of the *Local Government Act 1995* (the Act) requires that each local government is 'to plan for the future of the district', by developing plans in accordance with the regulations.

The Local Government (Administration) Regulations 1996 (the Regulations) requires each local government to adopt a Strategic Community Plan and a Corporate Business Plan.

Both these documents comprise a local government's 'plan for the future' under the requirements of s56 of the Act.

With reference to the Corporate Business Plan the Regulations state:

19DA. Corporate business plans, requirements for (Act s. 5.56)

- 1) A local government is to ensure that a corporate business plan is made for its district in accordance with this regulation in respect of each financial year after the financial year ending 30 June 2013.
- 2) A corporate business plan for a district is to cover the period specified in the plan, which is to be at least 4 financial years.
- 3) A corporate business plan for a district is to
 - (a) set out, consistently with any relevant priorities set out in the strategic community plan for the district, a local government's priorities for dealing with the objectives and aspirations of the community in the district; and
 - (b) govern a local government's internal business planning by expressing a local government's priorities by reference to operations that are within the capacity of the local government's resources; and
 - (c) develop and integrate matters relating to resources, including asset management, workforce planning and long-term financial planning.
- 4) A local government is to review the current corporate business plan for its district every year.
- 5) A local government may modify a corporate business plan, including extending the period the plan is made in respect of and modifying the plan if required because of modification of the local government's strategic community plan.
- 6) A council is to consider a corporate business plan, or modifications of such a plan, submitted to it and is to determine* whether or not to adopt the plan or the modifications.

*Absolute majority required.

7) If a corporate business plan is, or modifications of a corporate business plan are, adopted by the council, the plan or modified plan applies to the district for the period specified in the plan.

How to use the Corporate Business Plan

The Corporate Business Plan is informed by a suite of documents:

COMPONENT	DESCRIPTION	REVIEW
Corporate Business Plan	The Corporate Business Plan is an essential management tool designed to ensure that the organisation as a whole is able to deliver on Council's high level priorities. It summarises the services, operations and projects the EMRC will deliver over the next five years.	Reviewed annually
Financial Plans	The 10 year and 5 year financial plans enable delivery of projects and services. Both these plans: project the EMRC's financial position over a period of time provide the EMRC reliable information to develop the capacity for maintaining financial sustainability enable the EMRC to fund and replace capital projects enable the EMRC to fund projects, programs and services enable the EMRC to manage investments	Reviewed annually
Strategic High Level Plans	Strategic high level plans have been developed for specific issues. Examples are: Red Hill Development Plan – to manage the future development of Red Hill Waste Management Facility Regional Economic Development Strategy: supports sustainable economic growth, increased investment and industry attraction within Perth's Eastern Region. A short description of each of the strategic high level plans can be found at Appendix One.	As identified within each plan

Notes:

- The first year of the Corporate Business Plan establishes the EMRC's annual Budget.
- This Corporate Business Plan provides high level information on capital and operating projects planned over the next five years.
- Planned capital projects in excess of \$100,000 and key projects, programs and services (operating budget) have been included in this Corporate Business Plan.
- Detailed expenditure is provided in the five and ten year financial plans.
- Detailed project information is found in Strategic High Level Plans and each business unit's annual Business Plan.

Delivering the Corporate Business Plan

The Corporate Business Plan identifies projects, programs and services that will be delivered over the next five years. To ensure that these meet our stakeholders' needs the EMRC has developed a number of strategic high level plans under each of the three Key Result Areas within the EMRC's 10 Year Strategic Plan 2017 to 2027.

The strategic high level plans are key reference points identified during annual business planning workshops. These form the basis for identifying priority projects and initiatives, which are then recommended to Council during the budget deliberation process for funding.

Structure of the Corporate Business Plan

The Corporate Business Plan is built on the foundation of three strategic Key Result Areas (KRA) identified within **the 10 Year Strategic Plan 2017 to 2027**. The Corporate Plan sets out the actions that staff will undertake to deliver on Council's strategic priorities.

KRA 1: Environmental Sustainability

Our aim is to:

- ✓ Provide and maintain best practice waste management services which are sustainable, efficient and meet the needs of the Region.
- ✓ Deliver a range of environmental services that enable the Region and member Councils to meet their responsibilities and community expectations for sustainable and adaptive environmental initiatives, and to maintain and enhance the natural assets of the Region.

KRA 2: Economic Development

✓ Our aim is to facilitate and advocate for the sustainable economic and social development of the Region

KRA 3: Good Governance

✓ Our aim is to ensure that EMRC is a responsive, progressive and responsible organisation

Key Result Area 1 Environmental Sustainability

OBJECTIVE

1.1 To provide sustainable waste disposal operations

Minimise the environmental impact of waste management operations

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23
Construct Class III leachate pond	Capex	✓				
Leachate Project (transfer leachate from Class IV Cell and recommission)		✓				
Construct stormwater and siltation ponds, as required	Capex	✓				
Prepare and submit annual Monitoring and Compliance Reports: • Hazelmere • Offset Compliance • Red Hill	Opex	✓	√	✓	✓	✓
Develop and implement programs to ensure compliance with environmental legislative requirements: • Water monitoring • Revegetation • Native Fauna • Feral Animal Control	Opex	✓	√	✓	√	✓
Rehabilitate former landfill cells	Opex	✓	✓	✓	✓	✓
Prepare National Greenhouse and Energy (NGERS) Report	Opex	✓	✓	✓	✓	✓
Prepare National Pollutants Inventory (NPI) Report	Opex	✓	✓	✓	✓	✓
Implement Offset Program (Lots 501 and 82)	Opex	✓	✓	✓	✓	✓
Transition the Environmental Management System for the Red Hill Waste Management Facility from ISO14001:2004 to ISO14001:2015	Opex	✓	✓	✓	✓	✓
Responsible:	Waste Engineering / Waste Environmental Operations				I	

Provide a waste disposal service at Red Hill Waste Management Facility

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Operate Red Hill Waste Management Facility	Opex	✓	✓	✓	✓	✓		
Construct site infrastructure, as required (roads and car parks)	Capex	✓	✓	✓	✓	✓		
Review costs related to post closure management of the Red Hill Waste Management Facility	Opex		✓	✓	✓	✓		
Construct access roads to Lots 8,9 &10	Capex			✓				
Resolve potential fire ban closure of Red Hill with the Minister of Environment.	Opex	✓						
Undertake Greenwaste (MGB) audit	Opex	✓						
Establish new waste processing facility	Capex	✓						
Responsible:	Waste Engineering & Operations							

Review and implement the Red Hill Development Plan

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23			
Develop a Master Plan for the Red Hill Waste Management Facility	Opex	✓							
Implement the Red Hill Development Plan	Opex	✓	✓	✓	✓	✓			
Construct Class III Landfill Cell (Farm Stage 3)	Capex	✓	✓	✓					
Construct Class III Cell Stage 15B	Capex	✓							
Design and Construct Class IV Cell (Stage 2)	Capex	✓							
Construct drainage diversion and earthworks infrastructure, as required	Capex	✓	✓		✓				
Construct water storage dams	Capex	✓							
Relocate Greenwaste Processing area	Capex			✓					
Responsible:	Waste	Waste Engineering & Operations							

Operate member Council's transfer Stations where applicable

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Operate Shire of Mundaring Transfer Stations	Opex	✓	✓	✓	✓	✓	
Responsible:	Waste Engineering & Operations						

1.2 To improve regional waste management

Collect, manage and dispose of problematic waste in the Region in a sustainable manner

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Implement the Household Hazardous Waste Program	Opex	✓	✓	✓	✓	✓		
Implement the Battery Collection Program	Opex	✓	✓	✓	✓	✓		
Responsible:	Waste Engineering & Operations / Resource Recovery							

Continue the Waste Education Program and align this to new operations and resource recovery

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Develop the Waste and Recycling Guide and distribute to member Councils.	Opex	✓	✓	✓	✓	✓	
Review and implement the Waste Education Strategy	Opex	✓	✓	✓	✓	✓	
Develop and deliver waste education resources and tools at workshops and events to support behaviour change.	Opex	✓	✓	✓	✓	✓	
Facilitate the Earth Carer's training course	Opex	✓	✓	✓	✓	✓	
Support WA Waste initiatives regarding:	Opex	✓	✓	✓	✓	✓	
Promote and co-ordinate Waste Education Tours	Opex	✓	✓	✓	✓	✓	
Responsible:	Waste Education						

Provide a Waste Management Advisory Service

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Undertake contaminated sites investigations (where required)	Opex	✓	✓	✓	✓	✓		
Provide environmental consultancy service to member Councils and other clients (where required)	Opex	✓	✓	✓	✓	✓		
Responsible:	Waste Environmental Operations							

1.3 To provide resource recovery and recycling solutions in partnership with member Councils

Establish a Resource Recovery Facility (RRF)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement Council resolution relating to RRF tender	Opex	✓	✓	✓	✓	✓	
Prepare annual report on Ministerial Conditions for the RRF	Opex	✓	✓	✓	✓	✓	
Investigate modular model options for an Anaerobic Digestion Plant at the Red Hill Waste Management Facility	Opex	✓	✓	✓	✓	✓	
Responsible:	Resource Recovery / Waste Environmental Operations						

Develop the Hazelmere Resource Recovery Park

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23
Review and update Hazelmere Development Plan	Opex	✓	✓	✓	✓	✓
C&I Facility (Stage 2)	Сарех					✓
Research and scope Community Transfer Station and Community Reuse Store	Opex	✓				
Construct and commission Community Transfer Station	Capex		✓			
Construct and commission Administration Building	Capex		✓			
Construct and commission Community Reuse Store	Сарех		✓			
Construct and commission Materials Recovery Facility (MRF) building	Capex			✓		
Construct and commission Commercial Transfer Station	Capex		✓			
Construct and commission Site Workshop	Capex		✓			
Construct and commission weighbridges (x2)	Capex	✓				
Construct and commission site infrastructure – Commercial Entrance	Capex	✓	✓			
Construct Reuse Store infrastructure (car park)	Capex		✓			
Construct and commission Wood Waste to Energy (WWTE) Facility	Capex	✓				
Prepare and submit WWTE Facility commissioning compliance Report to DWER	Opex	✓				
Prepare and submit Ministerial Conditions Report to the EPA	Opex	✓	✓	✓	✓	✓
Construct Storage Bunkers for wood fines (QA process)	Capex	✓				

Develop the Hazelmere Resource Recovery Park

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Develop a monitoring regime for the WWTE Facility to meet regulatory requirements: Woodwaste feedstock monitoring Stack emissions monitoring Ambient monitoring O 	Opex	√	√	√	√	✓	
-							
Monitor groundwater at the Hazelmere Resource Recovery Park with the aim of removing the site as a 'potentially' contaminated site.	Opex	✓	✓	✓	✓	✓	
Responsible:	Resource Recovery / Waste Education						

Identify markets and develop resource recovery products in order to reduce waste going to landfill

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Investigate markets for plastics (C&I Facility)	Opex	✓	✓	✓	✓	✓		
Undertake research and market development for Biochar (WWTE)	Opex	✓	✓	✓	✓	✓		
Investigate markets for Ferricrete and PFAS	Opex	✓	✓	✓	✓	✓		
Develop and implement programs to increase sales of Red Hill by-products	Opex	✓	✓	✓	✓	✓		
Develop and implement programs to increase sales of Hazelmere by-products	Opex	✓	✓	✓	✓	✓		
Responsible:	Sales and Market Development							

1.4 To investigate leading edge waste management practices Undertake research into Integrated Waste Management

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Investigate feasibility of a MRF at the Hazelmere Resource Recovery Park	Opex	✓					
Responsible:	Resource Recovery / Waste Environmental Operations						

Provide leadership in the development of waste policy and practices

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Provide input to development of a Container deposit system in WA	Opex	✓					
Provide input to new DWER policies and regulations affecting waste disposal, composting etc. (where required)	Opex	✓					
Responsible:	Resource Recovery / Waste Engineering						

Identify, investigate and develop new waste management practices and services

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Seek approval for a reduction in water monitoring frequency at the Red Hill Waste Management Facility.	Opex	✓						
Develop a business case for the acceptance of new waste at the Red Hill Waste Management Facility	Opex	✓						
Undertake a cost-benefit analysis to determine the feasibility of in-house processing of: crushing ferricrete grinding greenwaste	Opex	✓						
Develop a monitoring regime for the Wood Waste to Energy Facility to meet regulatory requirements: • Woodwaste feedstock monitoring • Stack emissions monitoring • Ambient monitoring	Opex	✓						
Investigate costs related to power supply to the southern end of the Red Hill site	Opex	✓						
Investigate an EMRC regional waste collection service	Opex	✓						
Seek Greenwaste licence amendment at the Red Hill Waste Management Facility	Opex	✓						
Seek license amendment the for construction of leachate evaporation ponds at the Red Hill Waste Management Facility	Opex	✓						
Responsible:	Waste Engineering / Waste Environmental Operations / Sales and Market Development							

1.5 To contribute towards improved regional air, water & land quality, regional biodiversity conservation and address climate change

Review and implement the Environmental Strategy

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement priority initiatives and progress regional environmental management under the global Sustainable Development Goals (SDGs) framework. (refer Regional Environmental Strategy 2016-2020)	Opex	✓	✓	✓	✓	✓	
Responsible:	Environmental Services						

Review and implement the Eastern Region Catchment Management Program

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement the Eastern Region Catchment Management Program	Opex	✓	✓	✓	✓	✓	
Implement the Bush Skills 4 Youth Program	Opex	✓	✓	✓	✓	✓	
Implement the Creating a Capable Community in NRM project	Opex	✓					
Responsible:	Environmental Services						

Review and implement the Water Quality and Conservation Program

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement the Water Quality and Conservation Program	Opex	✓	✓	✓	✓	✓	
Responsible:	Environmental Services						

Review and implement the Regional Climate Change Program

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement the Regional Climate Change Program	Opex	✓	✓	✓	✓	✓	
Responsible:	Environmental Services						

Review and implement the Achieving Carbon Emissions Reduction (ACER Program

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement the ACEr Program	Opex	✓	✓	✓	✓	✓	
Responsible:	Environmental Services						

Review and implement the Swan and Helena Rivers Management Framework

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement priority projects and initiatives for the Swan and Helena Rivers	Opex	✓	✓	✓	✓	✓	
Responsible:	Environmental Services						

Key Result Area 2 Economic Development

OBJECTIVE

2.1 To facilitate and advocate for increased investment in regional infrastructure Review and implement the Regional Integrated Transport Strategy (RITS)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Facilitate the Regional Integrated Transport Strategy Implementation Advisory Group (RITS IAG) meetings and implement actions	Opex	✓	✓	✓	✓	✓		
Deliver actions and initiatives from the RITS 2017- 2021	Opex	✓	✓	✓	✓	✓		
Facilitate Regional TravelSmart Working Group meetings as required	Opex	✓	✓	✓	✓	✓		
Promote and implement the Regional Congestion Management Action Plan	Opex	✓	✓	✓	✓	✓		
Develop and implement Active/Public Transport Campaigns	Opex	✓	✓	✓	✓	✓		
Develop and implement Road Safety Initiatives and campaigns	Opex	✓	✓	✓	✓	✓		
Responsible:	Regional Development							

2.2 To facilitate and advocate for regional economic development activities Review and implement the Regional Economic Development Strategy (REDS)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Implement actions from the Regional Economic Development Strategy 2017-2021 (REDS)	Opex	✓	✓	✓	✓	✓		
Facilitate the Economic Development Officers Group (EDOG) meetings	Opex	✓	✓	✓	✓	✓		
Provide access to REMPLAN profiling tools to member Councils	Opex	✓	✓	✓	✓	✓		
Facilitate tours or forums that Advance Perth's Eastern Region	Opex	✓	✓	✓	✓	✓		
Facilitate forums that have a focus on technology and innovation	Opex	✓	✓	✓	✓	✓		
Responsible:	Regional Development							

Identify and investigate strategic regional development project and investment opportunities

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Progress the Business Exemplar project	Opex	✓	✓	✓	✓	✓	
Progress the Business and Investment Attraction project	Opex	✓	✓	✓	✓	✓	
Responsible:	Regional Development						

2.3 To facilitate regional cultural and recreational activities Continue the coordination, marketing and promotion of regional events

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Co-ordinate the Avon Descent Family Fun Days	Opex	✓	✓	✓	✓	✓		
Co-ordinate the Perth's Autumn Festival	Opex	✓	✓	✓	✓	✓		
Coordinate Hello Spring campaign	Opex	✓	✓	✓	✓	✓		
Administer the pertheasternregion.com.au website	Opex	✓	✓	✓	✓	✓		
Responsible:	Regional Development							

Key Result Area 3 Good Governance

OBJECTIVE

3.1 To provide advice and advocacy on issues affecting Perth's Eastern Region Review and implement the Regional Advocacy Strategy (RAS)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Develop and implement advocacy campaigns to support regional priorities in consultation with member Councils.	Opex	✓	✓	✓	✓	✓	
Continue to advocate for and promote the "Connect Perth's East City Deal" proposal	Opex	✓	✓	✓	✓	✓	
Continue to advocate for Regional Youth priorities as identified by RITS IAG, EDOG and member Council Youth Officers	Opex	✓	✓	✓	✓	✓	
Responsible:	Office of the Chief Executive Officer / Regional Services						

3.2 To manage partnerships and relationships with stakeholders

Continue to foster and enhance relationships with member Councils and all key stakeholders

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Develop and implement an EMRC Reconciliation Action Plan (RAP)	Opex	✓	✓	✓	✓	✓	
Responsible:	Region	nal Servi	ces				
Review and make recommendations to Council regarding alternatives to the EMRC's formal Stakeholder Cocktail function.	Opex	✓					
Responsible:	Admin	istration	& Comp	liance			
Implement biennial Stakeholder Perception Survey	Opex		✓		✓		
Co-ordinate EMRC's Community Grants Program	Opex	✓	✓	✓	✓	✓	
Produce EMRC's Annual Report	Opex	✓	✓	✓	✓	✓	
Responsible:	Communications						

Review and implement the Marketing and Communications Plan

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Implement priority initiatives (refer Marketing and Communications Plan)	Opex	✓	✓	✓	✓	✓	
Responsible:	Communications						

3.3 To provide responsible and accountable governance and management of the EMRC

Continue to improve organisational governance

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Implement the Recordkeeping Plan	Opex	✓	✓	✓	✓	✓		
Responsible:	Information Services							
Review and update Council Policies	Opex	✓		✓		✓		
Co-ordinate Council and Committee elections	Opex		✓		✓			
Review and update Management Guidelines as required	Opex	✓	✓	✓	✓	✓		
Responsible:	Administration and Compliance							

Review and implement EMRC's Integrated Planning Framework

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Review the 10 Year Strategic Plan	Opex					✓		
Review the Corporate Business Plan	Opex	✓	✓	✓	✓	✓		
Responsible:	Human Resources							

Review and implement the Disability Access and Inclusion Plan (DAIP)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Review and implement the DAIP	Opex	✓	✓	✓	✓	✓		
Responsible:	Human Resources							

3.4 To continue to improve financial and asset management practices Review and implement long term financial plans

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Review the Five and Ten year financial plans	Opex	✓	✓	✓	✓	✓	
Monitor and review financial investment portfolio	Opex	✓	✓	✓	✓	✓	
Responsible:	Finance Services						

Review and Implement the Asset Management Plan (AMP)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23	
Review and implement the AMP	Opex	✓	✓	✓	✓	✓	
Responsible:	Finance Services						
Capital improvements to Ascot Place Building	Capex	✓					
Responsible:	Administration and Compliance						

Review and implement the Strategic IT Plan

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Develop and implement a new five year Strategic IT Plan	Opex	✓	✓	✓	✓	✓		
Develop an IT Disaster Recovery Plan incorporating the Red Hill Disaster Recovery site	Opex	✓	✓	✓	✓	✓		
Review IT policies and procedures as required	Opex	✓	✓	✓	✓	✓		
Responsible:	Information Services							

3.4 To improve organisational culture, health, welfare and safety Review and implement the Workforce Plan

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Review and implement the Workforce Plan	Opex	✓	✓	✓	✓	✓		
Responsible:	Human Resources							

Review and implement the Occupational Safety and Health Plan (OS&H)

Key Actions	Budget	18/19	19/20	20/21	21/22	22/23		
Co-ordinate the OS&H Program	Opex	✓	✓	✓	✓	✓		
Responsible:	Occupational Safety & Health							

Strategic Key Performance Indicators

- Overall stakeholder satisfaction with the EMRC
- Percentage of waste diverted from landfill
- Level of satisfaction with waste management services
- Level of satisfaction with waste education activities
- Level of satisfaction with environmental initiatives and projects
- Level of satisfaction with regional development initiatives and projects
- Level of satisfaction with advocacy activities
- Financial sustainability of the organisation

Reporting & Review

Reporting

It is intended to provide periodic reports to Council against the Corporate Business Plan.

The Local Government (Administration) Regulations 1996 (the Regulations) in relation to reporting states:

19CA. Information about modifications to certain plans to be included (Act s. 5.53(2)(i))

- 1) This regulation has effect for the purposes of section 5.53(2)(i).
- 2) If a modification is made during a financial year to a local government's strategic community plan, the annual report of the local government for the financial year is to contain information about that modification.
- 3) If a significant modification is made during a financial year to a local government's corporate business plan, the annual report of the local government for the financial year is to contain information about that significant modification.

Where applicable the EMRC will also provide a report against the Corporate Plan through its Annual Report.

Reviewing

The Corporate Business Plan will be reviewed annually in accordance with current legislation

Any significant modifications will be reported through the Annual Report

Appendix One - Strategic High Level Plans

Document	Description
Asset Management Plan (AMP)	This plan defines current levels of service and the processes used to manage each of EMRC's asset classes.
Business Continuity Plan	This Plan outlines the key steps to be taken by the EMRC to respond to and recover from a disaster.
Corporate Business Plan	This plan sets out the projects and services EMRC will deliver to achieve the outcomes identified in the 10 Year Strategic Plan.
Code of Conduct	The Code of Conduct provides members and employees with consistent guidelines for an acceptable standard of professional conduct.
Council Policies	Council Policies are developed and adopted by the EMRC Council.
Establishment Agreement	This document was signed by all EMRC member Councils in 1998 and is the basis for the delivery of ongoing and new services to member Councils.
Long Term Financial Plans	The 10 year and 5 year financial plans enable delivery of projects and services.
Local Government Act 1995	The EMRC operates under the <i>Local Government Act 1995</i> and associated regulations.
Management Guidelines	Management Guidelines are developed and adopted by the Executive team in relation to internal operations
Communications Plan	This document outlines the marketing and communications activities to assist the organisation in achieving strategic objectives.
Red Hill Development Plan	This plan indicates infrastructure requirements for the ongoing development of the Red Hill Waste Management Facility.
Red Hill Emergency Response Plan	The Red Hill Emergency Response Plan has been produced to help protect staff, contractors, and customers who may be within the Red Hill Waste Management Facility at any given time.
Red Hill Environmental Management System	The Red Hill Environmental Management System provides a structured framework for implementing environmental protection programs which assist in managing potential environmental impacts of the Red Hill Waste Management Facility operations.
Regional Advocacy Strategy (RAS)	This strategy builds capacity within the EMRC and its member Councils to attract an increased share of benefits and services to Perth's Eastern Region through a framework that delivers effective regional advocacy campaigns.
Regional Climate Change Adaptation Plan (RCCAP)	This plan details actions for member councils and the EMRC to undertake, in order to maximise any opportunities and reduce or eliminate the risks to the community as a result of climate change.
Regional Economic Development Strategy (REDS)	This strategy supports sustainable economic growth, increased investment and industry attraction within Perth's Eastern Region.

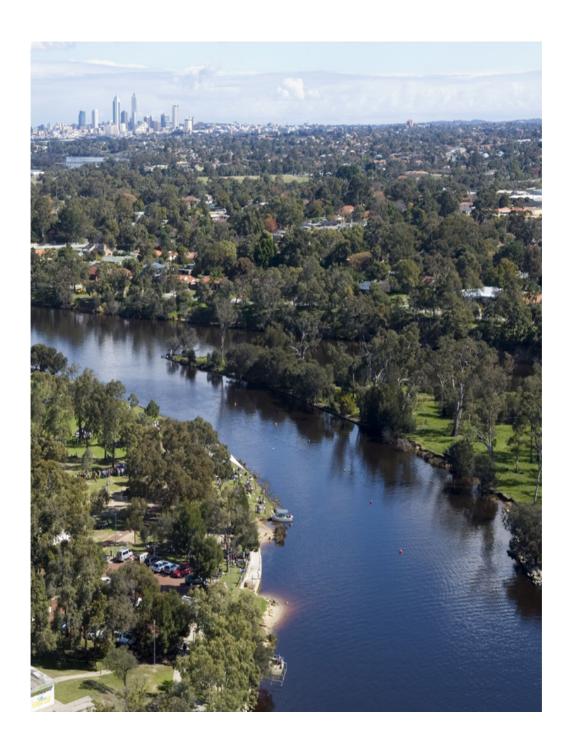

Document	Description
Regional Environmental Strategy (RES)	The Regional Environmental Strategy seeks to ensure a sustainable approach for the future development, protection and management of Perth's Eastern Region.
Regional Integrated Transport Strategy (RITS)	This strategy guides the creation of a transport network in Perth's Eastern Region that is efficient, safe and integrates all modes of transport.
Occupational Safety and Health Plan (OS&H)	This plan provides a framework for protection of EMRC staff and property, and other people who may interface with EMRC operations.
Stakeholder Perception Survey Reports	The EMRC surveys stakeholders biennially to collect information on stakeholder perceptions.
Strategic Waste Management Plan	This plan provides a regional approach to waste management.
Strategic IT Plan	This plan outlines the IT infrastructure requirements for the EMRC.
Waste Education Strategy	This strategy provides a framework for EMRC's waste and resource recovery education activities, promoting behaviour change within the region to support sustainable waste management.
Workforce Plan	This plan enables the EMRC to ensure that it has a workforce capable of delivering organisational objectives now and in the future.

Appendix Two - Abbreviations

ABBREVIATION	EXPLANATION
ABR	Australian Business Register used for engaging with local businesses
OPEX	Operating Expenditure
CAPEX	Capital Expenditure
DAIP	Disability Access and Inclusion Plan
ERCMP	Eastern Region Catchment Management Program
EMRC	Eastern Metropolitan Regional Council
FTE	Full Time Equivalent (used to describe staffing levels)
IT	Information Technology
LCCAAP	Local Climate Change Adaption Action Plan
RCCAAP	Regional Climate Change Adaption Action Plan
REDS	Regional Economic Development Strategy
RITS	Regional Integrated Transport Strategy
RRF	Resource Recovery Facility
SHRMF	Swan and Helena Rivers Management Framework

THIS PLAN IS AVAILABLE IN ALTERNATIVE FORMATS

11.2 EASTERN METROPOLITAN REGIONAL COUNCIL (EMRC) 2018/2019 DRAFT ANNUAL BUDGET

REFERENCE: D2018/06262 (AC) - D2018/07792

PURPOSE OF REPORT

The purpose of this report is to present the 2018/2019 Draft Annual Budget for Council adoption.

KEY ISSUES AND RECOMMENDATION(S)

- The 2018/2019 Draft Annual Budget has been prepared using the Ten Year Financial Plan 2018/2019 2027/2028 that has been reviewed and adjusted to take into consideration:
 - Forecast financial results for 2017/2018;
 - Budget provisions from 2017/2018 required to be carried forward into the 2018/2019 Budget;
 - The draft 2018/2019 fees and charges relating to Waste Management, Regional Services, and Administration; and
 - o Other variations and adjustments as outlined within the report.

AC RESOLUTION(S)

That:

- 1. The Audit Committee endorses the EMRC 2018/2019 Annual Budget.
- The EMRC 2018/2019 Annual Budget be referred to Council for adoption at its 21 June 2018 meeting.

AC RECOMMENDATION(S)

That:

- Council, by absolute majority, in accordance with section 6.2(1) of the Local Government Act 1995 and Local Government (Financial Management) Regulations 1996, adopts the EMRC 2018/2019 Annual Budget and supporting schedules which have been prepared in compliance with the Australian Accounting Standards.
- 2. For the 2018/2019 financial year a material variance percentage of 10% of the appropriate base, or a dollar value of \$20,000, whichever is the greater, be adopted for reporting variances in the statements of financial activity.
- 3. In accordance with Regulation 33 of the *Local Government (Financial* Management) *Regulations* 1996, a copy of the 2018/2019 Annual Budget be submitted to the Departmental CEO, Department of Local Government, Sport and Cultural Industries, within 30 days of its adoption by Council.

SOURCE OF REPORT

Director Corporate Services

BACKGROUND

Section 6.2(2) of the Local Government Act 1995 states "In the preparation of the annual budget the local government is to have regard to the contents of the plan for the future of the district made in accordance with section 5.56".

EMRC's Strategic Community Plan titled *EMRC 2022 - 10 Year Strategic Plan*, adopted by Council on 6 December 2012 (Ref: DMDOC/172950) and the Corporate Business Plan 2018/2019 to 2022/2023 (Ref: D2018/05836), considered as part of this Council Agenda, together constitute the EMRC's 'Plan for the Future' in accordance with section 5.56 of the Local Government Act 1995. From 30 June 2013 onwards, both plans must be taken into account in budget preparations.

The 2018/2019 Annual Budget draws from the priorities as identified in the EMRC's 'Plan for the Future'.

As part of the budget preparation process, financial forecasts within the EMRC's Ten Year Financial Plan are regularly reviewed in order to provide an indicative forecast of the EMRC's ten year financial position.

The revised plan includes key assumptions which provide the framework for the 2018/2019 budget and includes fees and charges for Waste Management and Regional Services and project funding for Regional Services.

Budget review meetings were undertaken by the Executive Management Team during February to April 2018 to ensure the budget accurately reflected the planned operations for 2018/2019 and beyond.

The proposed Regional Services Consulting Rates 2018/2019 and Miscellaneous Administration Fees were presented to Council at its meeting dated 15 February 2018 (Ref: D2018/02019) where it was resolved as follows:

"THAT THE PROPOSED 2018/2019 REGIONAL SERVICES CONSULTING RATES, ADMINISTRATION FEES AND CHARGES AND STEAM WEEDER HIRE CHARGES, FORMING ATTACHMENT 1 AND 2 TO THIS REPORT, BE UTILISED IN DEVELOPING THE DRAFT 2018/2019 BUDGET."

The EMRC's Ten Year Financial Plan tonnage forecasts are reviewed regularly and have been used to derive forecast income and expenditure for the Red Hill Waste Management Facility and Hazelmere Recycling Facility. These tonnages are included within the budget document (refer attachment, page 39 of 83).

All business units have developed detailed financial estimates for 2018/2019 to 2027/2028. These estimates have been entered into the EMRC's financial management system to produce the ten year financial forecasts.

As the EMRC will not commence the process of preparing its Annual Financial Statements for 2017/2018 until July 2018, the forecast results for 2017/2018 have been used as a basis for the finalisation of the 2018/2019 Budget.

REPORT

In producing the 2018/2019 Budget, the EMRC's Ten Year Financial Plan has been reviewed and adjusted to take into consideration the following:

- Forecast financial results for 2017/2018; and
- Budget provisions from 2017/2018 required to be carried forward into the 2018/2019 Budget.

The budgeted 2018/2019 Net Result from operations of \$7,084,278 compares to a forecast surplus in 2017/2018 of \$5,975,220.

Major variances to the 2017/2018 forecasts are attributable to an increase in user charges resulting from increased fees and charges together with an increase in budgeted tonnages of 207,730 for 2018/2019 compared to the 2017/2018 tonnage forecast of 173,551, an increase in depreciation expenses resulting from the proposed capital expenditure during 2018/2019, an increase in salary expenses for which full budget provisions have been allowed for unfilled positions and an increase in miscellaneous expenses relating to the landfill levy which will increase from \$65 per tonne to \$70 per tonne from 1 July 2018.

Key Budget Assumptions

The following key assumptions have been used in development of the Ten Year Financial Plan and the 2018/2019 Budget:

- An increase of \$5.50 per tonne (ex GST) for 2018/2019 in the member Council base waste disposal charge;
- The Comprehensive Waste Education Strategy (CWES) Levy of \$3.50 per tonne (ex GST) to remain unchanged for 2018/2019;
- An annual increase of \$2.00 per tonne (ex GST) for 2018/2019 for member Councils in the Secondary Waste charge as per Council resolution at its 2 June 1999 meeting (Ref: DMDOC/23134);
- An increase in the State Government's Landfill Levy of \$5.00 per tonne (ex GST);
- A reduction of \$5.00 per tonne (ex GST) in the Commercial Waste Disposal charge to \$145.45 (ex GST);
- The C & I Commercial and member Council rate of \$135.00 per tonne (ex GST) remains unchanged for 2018/2019;
- The C & I Bulk Verge collection rate is increased by \$15.00 to \$150.00 per (ex GST) for 2018/2019.
- The Regional Services consulting rates for 2017/2018 to remain unchanged;
- A 3% increase in Insurance Premiums for 2018/2019;
- A 5% increase in Fuel costs for 2018/2019;
- The interest rate for term deposit investments for the 2018/2019 financial year is budgeted at 2.60% per annum; and
- The funding for Regional Services projects is based on the schedules used in the Regional Services Funding Program presented to Council at its meeting held on 7 December 2017 (Ref:D2017/18690).

Tonnages - (page 39 of 83)

Budgeted total tonnages for 2018/2019 of 207,730 tonnes is above the 2017/2018 forecast of 173,551 tonnes and below the 2017/2018 budget of 224,137 tonnes.

Class IV tonnages which have been budgeted at 3,800 tonnes for 2018/2019 is above the 2017/2018 forecast of 1,000 tonnes and above the 2017/2018 budget of 275 tonnes.

	Actual 2015/2016	Actual 2016/2017	Budget 2017/2018	Forecast 2017/2018	Budget 2018/2019
Class II & III	209,971	182,255	211,425	162,030	191,156
Class IV & V	1,316	167	275	1,000	5,840
Greenwaste	9,481	11,264	12,437	10,521	10,734
Total	220,768	193,686	224,137	173,551	207,730

Disposal Fees and Charges - (pages 31-35 of 83)

The member Council disposal charge for Class III waste has increased from \$166.00 per tonne (ex GST) to \$178.50 (ex GST). This increase of \$12.50 per tonne (ex GST) is attributable to a \$5.00 per tonne increase in the State Government's Landfill Levy, a \$2.00 per tonne increase in the Secondary Waste charge (Council resolution 2 June 1999), and \$5.50 per tonne increase in the general disposal charge.

EMRC Consulting Fees - (page 36 of 83)

The proposed 2018/2019 Regional Services consulting fees were accepted by Council at its meeting held on 15 February 2018 (Ref: D2018/02019) for use in developing the draft budget for 20187/2019.

No increase in the Regional Services consulting rates has been proposed for 2018/2019.

EMRC Administration Fees and Charges - (page 37 of 83)

No increase in the photocopier charges has been proposed for 2018/2019. However, a new fee has been introduced effective from the 2018/2019 financial year for the usage of an online induction system to deliver efficiencies for contractor inductions applicable to OH&S and Environmental divisions. The EMRC will be charging external contractors for inductions as a partial recovery of costs.

Statement of Comprehensive Income - (pages 2-4 of 83)

The Statement of Comprehensive Income provides a "normal operating result" before "other revenues and expenses".

The "Normal Operating Result" has been calculated by removing the impact of the Secondary Waste levy, Resource Recovery expenditure and capital revenues and expenses and thus provides a better indication of underlying operating performance.

The proposed "Normal Operating Result" of \$2,190,161 surplus for 2018/2019 is above the budgeted surplus of \$934,309 for 2017/2018 and below the forecast surplus of \$2,231,484 for 2017/2018.

As outlined earlier in this report, the variance in budgeted normal operating result year on year is attributable to an increase in:

- Depreciation expenses resulting from the proposed capital expenditure during 2018/2019;
- An increase in salary expenses for which full budget provisions have been allowed for unfilled positions;
- An increase in miscellaneous expenses relating to the landfill levy which will increase from \$65 per tonne to \$70 per tonne from 1 July 2018 offset by an increase in user charges resulting from increased fees and charges together with an increase in budgeted tonnages of 207,730 for 2018/2019 compared to the 2017/2018 tonnage forecast of 173,551.

The "Net Result" includes Secondary Waste Disposal Charge Income which is dependent on the volume of member Councils tonnages accepted at the Red Hill Waste Management Facility.

The budgeted "Net Result" is a surplus of \$7,084,278 for 2018/2019 compared with a budgeted surplus of \$5,975,220 for 2017/2018 and a forecast surplus of \$11,854,636 for 2017/2018.

Also provided is a Statement of Comprehensive Income by (Local Government) Program.

Staffing Levels

As part of the budget development, the following nine (9) new positions have been identified in the 2018/2019 budget:

- 2 Plant Operators, 1 Labourer and 1 Technician Provision made to staffing level for proposed new waste project at the Red Hill Waste Management Facility proposed to commence during the 2018/2019 financial year.
- 1 Plant Operator and 4 Labourers/Pickers Provision made to current staffing level for the Hazelmere C&I Facility based on a forecast increase in tonnages.

These new positions identified will not be filled automatically and will need to be supported by a business case at the appropriate time.

Capital Works - (pages 76-83 of 83)

The total proposed Capital Works expenditure for 2018/2019 is \$19,951,903 which includes carried forward capital expenditure of \$16,147,432. This compares with the 2017/2018 budgeted expenditure of \$25,956,194 and 2017/2018 forecast expenditure of \$4,785,885.

Major capital expenditure items for 2018/2019 including carry forwards are:

•	Purchase/Replace Plant - Red Hill Waste Management Facility (\$3,539,497 carried forward from 2017/2018).	\$3,910,000
•	Construct and Commission Resource Recovery Park - Site Infrastructure (\$2,650,000 carried forward from 2017/2019).	\$2,650,000
•	Resource Recovery Park - Wood Waste to Energy Building, Infrastructure, Plant and Equipment (\$1,888,040 carried forward from 2017/2018).	\$2,263,407
•	Purchase/Replace Plant - Hazelmere (\$1,866,276 carried forward from 2017/2018).	\$2,001,276
•	Construction of Class III Cell (Stage 15B) - Red Hill Waste Management Facility (\$1,511,222 carried forward from 2017/2018).	\$1,511,222
•	New Waste Project Structure - Red Hill Waste Management Facility	\$850,000
•	Construction of Class III Cell (Farm Stage 3) - Red Hill Waste Management Facility (\$750,000 carried forward from 2017/2019).	\$750,000
•	Purchase Plant & Minor Plant for Leachate Project - Red Hill Waste Management Facility (\$548,800 carried forward from 2017/2018).	\$548,800
•	Construction of Class III Leachate Pond - Red Hill Waste Management Facility (\$450,000 carried forward from 2017/2018).	\$530,000
•	Design and Construct Class IV Cell Stage 2 - Red Hill Waste Management Facility (\$500,000 carried forward from 2017/2018).	\$500,000
•	Construction of Storage Bunkers for Wood Fines - Hazelmere Resource Recovery Park	\$500,000
•	Resource Recovery Park - C & I Building, Plant and Equipment.	\$500,000
•	Leachate Project - Red Hill Waste Management Facility (\$471,192 carried forward from 2017/2018).	\$471,192
•	Purchase/Replace Minor Plant and Equipment - Red Hill Waste Management Facility (\$121,536 carried forward from 2017/2018).	\$382,000
•	Purchase Information Technology and Communications Equipment - Ascot Place (\$132,000 carried forward from 2017/2018).	\$282,000

Statement of Cash Flows - (page 6 of 83)

The format of the Statement of Cash Flows separates "Normal Operating Activities" from Resource Recovery activities.

The budgeted net cash provided by normal operating activities is \$7,037,071. This represents an increase of \$1,576,296 when compared with the 2017/2018 budget and an increase of \$5,393,544 compared with the forecast position in 2017/2018.

Municipal Cash and Restricted Investments (Reserves) - (pages 7-10 of 83)

The cash and investments (Municipal and Restricted Investments) as at 30 June 2019 has been forecast to be \$91,723,171 compared with the forecast cash and investments as at 30 June 2018 of \$99,088,104.

The overall decrease in budgeted cash (Municipal and Restricted Investments) year on year is attributable to the capital expenditure exceeding the net budgeted cash flow from normal and other operating activities during the 2018/2019 financial year. Funds have been set aside in Reserve funds and will be utilised in accordance with the budgeted expenditure.

Approximately 59.5% of total cash and restricted investments budgeted for 30 June 2019 will be held in the Secondary Waste Reserve (\$54,618,921) to fund the development of a Resource Recovery Projects. Other restricted cash investments will be used to fund future capital works projects including:

- Major plant replacements at the Red Hill and Hazelmere Waste Management Facilities;
- Site rehabilitation at Red Hill Waste Management Facility; and
- Future Class III cell construction.

Reporting Requirements

It is a requirement of the *Local Government (Financial Management) Regulations 1996 - Regulation 34(5)* that a local government is to establish and adopt materiality levels either as a percentage and/or dollar value to be used in statements of financial activity for reporting variances.

The concept of materiality is defined in the accounting standard, AASB 108 as:

"Omissions or misstatements of items are material if they could, individually or collectively, influence the economic decisions that users make on the basis of the financial statements. Materiality depends on the size and nature of the omission or misstatement judged in the surrounding circumstances. The size or nature of the item, or a combination of both, could be the determining factor."

In determining whether the variance amount of an item is material, the variance is to be compared with the corresponding budgeted revenue and expense amount to the end of the month to which the statement of financial activity relates.

Council adopted 10% as the percentage, or a dollar value of \$20,000, whichever is the greater to be used during the 2017/2018 financial year when reporting variances. It is recommended that for the 2018/2019 financial year the materiality percentage of 10% or a dollar value of \$20,000, whichever is the greater, be retained and adopted for reporting variances in the statements of financial activity.

Post Budget Preparation Event

Following the completion of the budget preparation that is contained within this report, correspondence was received from the City of Bayswater on 30 May 2018 advising that they will not be renewing their greenwaste processing agreement with the EMRC. This agreement was to have expired on the 30 June 2018. Prior to this, there has been no indication that it would not be renewed as had been the case on many occasions in the past.

The financial impact on this latest information would be a reduction in revenue of approximately \$660,000 per annum. While this is a processing agreement done at a cost neutral basis there will nonetheless be an impact on the revenue from the sale of products from greenwaste operations offset by any operational cost savings.

In the same correspondence, the City of Bayswater also requested an extension to the greenwaste processing agreement for a short term period between 1 July 2018 to 31 October 2018 to facilitate the handover to their new operators. This request for extension will be subject to a separate Council report seeking Council approval at the 21 June 2018 meeting.

Due to the timing of this advice from the City of Bayswater, which was received two days prior to this report and the Audit Committee Agenda to be issued to Councillors, there is insufficient time to adjust the draft budget. EMRC officers have done a preliminary assessment and it is proposed not to amend the current draft budget and officers will work towards minimising any impact.

STRATEGIC/POLICY IMPLICATIONS

Key Result Area 3 - Good Governance

- 3.3 To provide responsible and accountable governance and management of the EMRC
- 3.4 To continue to improve financial and asset management practices

FINANCIAL IMPLICATIONS

As detailed in the attachment to this report.

Financial Statements - 2018/2019 Budget (Ref: D2018/07787)

VOTING REQUIREMENT

Absolute Majority

AC RESOLUTION(S)

That:

- The Audit Committee endorses the EMRC 2018/2019 Annual Budget.
- 2. The EMRC 2018/2019 Annual Budget be referred to Council for adoption at its 21 June 2018 meeting.

The CEO provided a brief overview of the EMRC 2018/2019 budget and discussion ensued.

The CEO commended the executive management team and the finance team for the rigorous review in developing the budget.

Cr McDonnell moved an alternative substantive motion with an amendment to Item 1 of the resolution to add the words "with a further 0.5% increase to the wages and salaries budget" after the words "Annual Budget".

AC RESOLUTION(S)

MOVED CR MCDONNELL SECONDED CR PALMER

THAT:

- 1. THE AUDIT COMMITTEE ENDORSES THE EMRC 2018/2019 ANNUAL BUDGET WITH A FURTHER 0.5% INCREASE TO THE WAGES AND SALARIES BUDGET.
- 2. THE EMRC 2018/2019 ANNUAL BUDGET BE REFERRED TO COUNCIL FOR ADOPTION AT ITS 21 JUNE 2018 MEETING.

CARRIED UNANIMOUSLY

AC RECOMMENDATION(S)

That:

- Council, by absolute majority, in accordance with section 6.2(1) of the Local Government Act 1995 and Local Government (Financial Management) Regulations 1996, adopts the EMRC 2018/2019 Annual Budget and supporting schedules which have been prepared in compliance with the Australian Accounting Standards.
- 2. For the 2018/2019 financial year a material variance percentage of 10% of the appropriate base, or a dollar value of \$20,000, whichever is the greater, be adopted for reporting variances in the statements of financial activity.
- 3. In accordance with Regulation 33 of the *Local Government (Financial Management) Regulations* 1996, a copy of the 2018/2019 Annual Budget be submitted to the Department of Local Government, Sport and Cultural Industries, within 30 days of its adoption by Council.

AC RECOMMENDATION(S)

MOVED CR STALLARD SECONDED CR DAW

That:

- 1. Council, by absolute majority, in accordance with section 6.2(1) of the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, adopts the EMRC 2018/2019 Annual Budget and supporting schedules which have been prepared in compliance with the Australian Accounting Standards.
- 2. For the 2018/2019 financial year a material variance percentage of 10% of the appropriate base, and a dollar value of \$20,000, whichever is the greater, be adopted for reporting variances in the statements of financial activity.
- 3. In accordance with Regulation 33 of the *Local Government (Financial Management) Regulations* 1996, a copy of the 2018/2019 Annual Budget be submitted to the Departmental CEO, Department of Local Government and Communities, within 30 days of its adoption by Council.

CARRIED UNANIMOUSLY

Post Meeting Note

As a result of the Audit Committee recommendation the report and the attachments have been updated to reflect the additional 0.5% increase in wages and salaries.

BUDGET NOTES

2018/2019 BUDGET

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise:

Basis of Preparation

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations.

Except for cash flow information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The Local Government Reporting Entity

All funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

(a) Trust Funds

Any monies held in the Trust Fund, which Council holds in a custodian role, are excluded from the Financial Report.

The EMRC currently does not hold any trust fund monies.

(b) Cash and Cash Equivalents

Cash and cash equivalents in the Statement of Financial Position comprise cash at bank and in hand and short-term deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts, where applicable, are included as short-term borrowings in current liabilities on the Statement of Financial Position.

The EMRC currently does not hold any bank overdrafts.

(c) Fixed Assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Mandatory Requirements to Revalue Non-Current Assets

Effective from 1 July 2012, the *Local Government (Financial Management) Regulations 1996* were amended and the measurement of non-current assets at Fair Value became mandatory.

During the year ended 30 June 2013, the EMRC commenced the process of adopting Fair Value in accordance with the Regulations. Whilst the amendments initially allowed for a phasing in of fair value in relation to fixed assets over three years, as at 30 June 2015 all non-current assets were carried at Fair Value in accordance with the requirements.

Thereafter, each asset class must be revalued in accordance with the regulatory framework established and the EMRC revalues its asset classes in accordance with this mandatory timetable. Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Land Under Control

In accordance with Local Government (Financial Management) Regulations 1996 r.16(a), the Council is required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or regional significance.

The Council does not have any crown land which comes under this regulation.

Land Under Roads

In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulations 1996 r.16 (a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, *Local Government* (*Financial Management*) Regulations 1996 r.16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, *Local Government (Financial Management) Regulations 1996 r.4(2)* provides, in the event of such an inconsistency, the *Local Government (Financial Management) Regulations* prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

The EMRC does not hold any land under roads.

Initial Recognition and Measurement between Mandatory Revaluation Dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework detailed above.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost on non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework detailed above, are carried at cost less accumulated depreciation as management believed this approximates fair value. They will be subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework detailed above.

Revaluation

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in the Statement of Comprehensive Income.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Fixed Assets (continued)

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- a) Restated proportionately with the change in the gross carrying amount of the asset so that the carrying amount of the asset after revaluation equals its revalued amount: or
- b) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

Major depreciation rates used for each class of depreciable asset are:

• Buildings 0.48 - 6.67% (based on components)

Structures

General 1.10 - 18.10% (based on components)

Class III and IV Waste Cells % of actual usage

Plant 15.00 - 40.00%

Furniture and fittings 10.00 - 40.00%

Equipment 10.00 - 40.00%

The asset residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the Statement of Comprehensive Income in the period in which they arise.

When revalued assets are disposed of, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

Capitalisation Threshold

Expenditure on items of major equipment under \$5,000 and minor equipment under \$1,000 are not capitalised. Rather, they are recorded on an asset inventory listing.

(d) Fair Value of Assets and Liabilities

When performing a revaluation, the Council uses a mix of both independent and management valuations using the following as a guide:

Fair Value is the price that Council would receive to sell the asset or would have to pay to transfer the liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Fair Value of Assets and Liabilities (continued)

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

Where possible, market information is extracted from either the principal market for the asset (i.e. the market with the greatest volume and level of activity for the asset) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

Fair Value Hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

I evel 3

Measurements based on unobservable inputs for the asset or liability.

The fair value of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation Techniques

The Council selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Council are consistent with one or more of the following valuation approaches:

Market Approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income Approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Fair Value of Assets and Liabilities (continued)

Cost Approach

Valuation techniques that reflect the current replacement cost of an asset at its current service capacity.

Each valuation technique requires inputs which reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Council gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

As detailed above, the mandatory measurement framework imposed by the *Local Government (Financial Management) Regulations 1996* requires, as a minimum, all assets carried at a revalued amount to be revalued in accordance with the regulatory framework.

(e) Intangible Assets

Fasements

Regulation 16 of the *Local Government (Financial Management) Regulations 1996* requires easements to be recognised as assets. The EMRC does not have any easements.

(f) Rates

The EMRC does not levy rates. Accordingly, rating information as required under the *Local Government* (*Financial Management*) Regulations 1996 has not been presented in this financial report.

(g) Grants, Donations and Other Contributions

Grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Conditional grants and contributions income is recognised subject to conditions applicable to the use of such income. Expenditure of those monies has been made in the manner specified under the conditions upon which the EMRC received those monies.

(h) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the local government prior to the end of the financial year that are unpaid and arise when the local government becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(i) Impairment

In accordance with Australian Accounting Standards, the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired. Where such an indication exists, an estimate of the recoverable amount of the asset is made in accordance with AASB 136 'Impairment of Assets' and appropriate adjustments made.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Impairment (continued)

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116 Property, Plant and Equipment) whereby an impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other standard.

(j) Revenue Recognition

Waste Services

Revenue from waste services is recognised when the waste is received.

Generation of Gas Services

Revenue from the generation of gas services is recognised on an accrual basis. Proceeds from the sale of Renewable Energy Certificates are only recognised when the certificates are sold.

Interest Income

Interest income is recognised on an accrual basis.

Sale of Goods and Disposal of Assets

Revenue from the sale of goods and disposal of other assets is recognised when the Council has passed control of the goods or other assets to the buyer.

Rendering of Services

Revenue from the provision of services is recognised on an accrual basis.

Royalties

Royalty revenue is recognised on an accrual basis.

(k) Inventories

General

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development and interest incurred on the financing of that land during its development. Interest and holding charges incurred after development is complete are recognised as expenses.

(I) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the Statement of Financial Position are stated inclusive of applicable GST. The net amount of GST recoverable from, or payable to the ATO is included with receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Provisions

Provisions are recognised when: The Council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

Provisions are measured using the best estimate of the amounts required to settle the obligations at the end of the reporting period.

(n) Provision for Site Rehabilitation

A provision for the future costs associated with closing and restoring the landfill is recognised as liabilities within the financial accounts. The nature of work planned by Council includes cell capping, landform reconstruction, dismantling of site operating facilities and implementation of a revegetation plan to suit the final land use. The cost is based on estimated current costs, determined on a non-discounted basis.

The obligation for the EMRC to recognise the provision for site rehabilitation arises at the time the landfill cell is first put into use. Increments in the provision are calculated on the basis of the volumetric usage of the landfill cell air space during the year, present value of the costs for site rehabilitation and remaining capacity of the landfill site.

As per the independent engineers report from June 2015, the present value for the rehabilitation of the site has been calculated to be \$6,920,000 and has been deemed sufficient for post closure management purposes. This value will be reviewed on a five yearly cycle.

The provision is measured using the best estimate of the amounts required and is reassessed internally on an annual basis with an independent review being undertaken on a three year cycle in line with the revaluation of infrastructure assets.

In addition, Council has also adopted an incremental charge based on volumetric usage of landfill airspace for ongoing site rehabilitation during the in-use operations of the landfill.

(o) Provision for Environmental Monitoring

A provision for the future costs associated with closing and restoring the landfill is recognised as liabilities within the financial accounts. The nature of work planned by Council includes monitoring of groundwater, surface water, leachate and landfill gas generation. The cost is based on estimated current costs, determined on a non-discounted basis.

The obligation for the EMRC to recognise the provision for environmental monitoring arises at the time the landfill cell is first put into use. Increments in the provision are calculated on the basis of the volumetric usage of the landfill cell air space during the year, present value of the costs for environmental monitoring and remaining capacity of the landfill site.

As per the independent engineers report from June 2015, the present value for the environmental monitoring of the site has been calculated to be \$3,760,000 and has been deemed sufficient for post closure management purposes.

The provision is measured using the best estimate of the amounts required and is reassessed internally on an annual basis with an independent review being undertaken on a three year cycle in line with the revaluation of infrastructure assets.

(p) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(q) Critical Accounting Estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. The results of this experience and other factors combine to form the basis of making judgements about carrying values of assets and liabilities not readily apparent from other sources. Actual results may differ from these estimates.

(r) Trade and Other Receivables

Trade and other receivables include amounts due from member Councils and non-members for unpaid fees and charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(s) Employee Entitlements

The provisions for employee benefits relate to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Short-term Employee Benefits

Provision is made for the Council's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Council's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Council's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

(ii) Other long-term Employee Benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations.

The Council's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Council does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(s) Employee Entitlements (continued)

(iii) Superannuation Fund

The Council contributes to the WA Local Government Superannuation Plan (LGSP) and other nominated funds for qualifying employees as per statutory requirements (9.50% for 2017/18). It also co-contributes to the LGSP and other nominated funds for full scheme members (5% for 2017/18). Contributions to defined contribution plans are recognised as an expense as they become payable.

(t) Rounding Of Amounts

All amounts shown in this annual financial report, other than the Schedule of Fees and Charges, are rounded to the nearest dollar. As a result of rounding, some minor reconciliation discrepancies may be present in the disclosures to the financial report.

(u) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(v) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial budget relate to the original budget estimate for the relevant item of disclosure.

(w) Leases

Leases of property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

The EMRC does not currently have any finance leases.

(x) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial assets are subsequently measured at either fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- (i) the amount at which the financial asset or financial liability is measured at initial recognition;
- (ii) less principal repayments;
- (iii) plus or minus the cumulative amortisation of the differences, if any, between the amount initially recognised and the maturity amount calculated using the effective interest method; and
- (iv) less any reduction for impairment.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(x) Financial Instruments (continued)

The effective interest method is used to allocate interest income or interest expense over the related period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

The Council does not designate any interest in subsidiaries, associates or joint venture entities as being subject to the requirements of accounting standards specifically applicable to financial instruments.

(i) Financial assets at fair value through profit or loss

Financial assets are classified at 'fair value through profit or loss' when they are either held for trading for the purpose of short term profit taking, derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in profit or loss.

(ii) Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period. (All other loans and receivables are classified as non-current assets.)

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the Council's intention to hold these investments to maturity. They are subsequently measured at amortised cost.

Held-to-maturity investments are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period. (All other investments are classified as current assets.)

If during the period the Council sold or reclassified more than as significant amount of the held-to-maturity investments before maturity, the entire held-to-maturity investments category would be tainted and reclassified as available-for-sale.

(iv) Available for sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period. (All other financial assets are classified as current assets.)

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(x) Financial Instruments (continued)

(v) Financial Liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

(vi) Fair Value

Fair value is determined based on current bid prices of all quoted investments. Valuation techniques are applied to determine the fair value of all unlisted securities, including arm's length transactions, reference to similar instruments and option pricing models.

Impairment

At each reporting date, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed is recognised in profit or loss.

(y) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months.

Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Council's intentions to release for sale.

(z) Landfill Cells

There are three general components of cell construction:

- Cell excavation and development costs;
- · Cell liner costs; and
- · Cell capping costs.

All cell excavation and development costs and cell liner costs are capitalised and depreciated over the useful life of the cell based on the volumetric usage of the landfill cell air space during the year.

Cell capping costs are expensed as they occur as part of ongoing site rehabilitation.

2. PROGRAMS

The activities relating to the EMRC's programs reported on in the Operating Statement are as follows:

Governance

Records income and expenditure relating to the administration and operation of facilities and services to members of Council together with other administrative governance costs.

General Purpose Funding

Records interest revenue as well as other general purpose revenue.

Community Amenities

Records income and expenditure associated with the Class III cell, Class IV cell, weighbridge, and transfer station at the Red Hill Waste Management Facility, the Hazelmere Resource Recovery Site and the Coppin Road and Mathieson Road transfer stations.

Other Property and Services

Records income and expenditure for public works overheads, plant operation, materials, salaries and wages. It also records income and expenditure for the Environmental Service departments (incorporating various Environmental Projects), the operations of the Ascot Place activity, Risk Management services, and income and expenditure relating to the Regional Development activity incorporating various projects.

3. RECONCILIATION OF RATES LEVIED

The EMRC does not levy rates therefore a Rate Setting Statement [Local Government (Financial Management) Regulations 1996: 22(1)(d) and 30(1)(c)] has not been prepared.

4. NOTES TO THE STATEMENT OF CASH FLOWS

(i) Reconciliation of Cash

For the purpose of the statement of cash flows, The EMRC considers cash to include cash on hand, cash at bank and bank term deposits. Cash at the end of the reporting period as shown in the statement of cash flows is as follows:

	BUDGET 2017/2018 \$	FORECAST 2017/2018 \$	BUDGET 2018/2019 \$
Cash - Unrestricted	4,278,095	11,596,211	4,081,732
Cash - Restricted	73,458,222	87,491,893	87,641,439
Total Cash	77,736,317	99,088,104	91,723,171

(ii) Reconcilliation of net cash used in operating activities to change in net assets arising from operations

	BUDGET 2017/2018 \$	FORECAST 2017/2018 \$	BUDGET 2018/2019 \$
Net Change in assets from operations	5,975,220	11,854,636	7,084,278
Write back Depreciation	4,628,133	3,555,701	5,066,853
Write back Provisions	204,047	167,481	202,373
Write back Accruals - Staff Entitlements	28,607	28,608	29,344
Write back (Profit)/Loss on sale of assets	(34,599)	(24,197)	(70,297)
Write back Movement in Accrued Interest earnings	0	0	0
Net cash from operating activities	10,801,408	15,582,229	12,312,551

(iii) Depreciation of Assets

Details of depreciation expenditure budgets for each program are as follows

	BUDGET 2017/2018 \$	FORECAST 2017/2018 \$	BUDGET 2018/2019 \$
Administration	485,478	345,920	367,434
Community Amenities	1,969,154	1,424,775	2,724,116
Other Property and Services	2,173,501	1,785,006	1,975,303
Total Depreciation all Programs	4,628,133	3,555,701	5,066,853

5. FEES AND CHARGES SUMMARY BY PROGRAM

	BUDGET 2017/2018 \$	FORECAST 2017/2018 \$	BUDGET 2018/2019 \$
Administration	0	0	0
Community Amenities	36,336,059	28,686,649	37,058,195
Other Property and Services	6,000	6,000	6,000
Total Statutory Fees and Charges	36,342,059	28,692,649	37,064,195
	BUDGET 2017/2018 \$	FORECAST 2017/2018 \$	BUDGET 2018/2019 \$
<u>User Charges</u>			
Ordinary activities	29,714,288	23,291,308	30,773,308
Other activities <u>Special Charges</u>	1,350,000	486,000	1,012,500
Ordinary activities	467,651	435,537	445,165
Secondary Waste Charge			
Other activities	4,810,120	4,479,804	4,833,222
Total Statutory Fees and Charges	36,342,059	28,692,649	37,064,195

6. LOAN BORROWINGS

(a) Loan Repayments

No loans existed as at 30 June 2018 and no loans are anticipated during the 2018/2019 financial year.

(b) Unspent Loans

No unspent loan funds existed as at 30 June 2018 and no unspent loan funds are anticipated during the 2018/2019 financial year.

(c) New Borrowings

The EMRC does not propose to undertake new borrowings during the 2018/2019 financial year.

(d) Overdraft

Council has not utilised an overdraft facility during the 2017/2018 financial year and it is not anticipated that any such facility will be utilised during the 2018/2019 financial year.

7. COUNCILLOR FEES AND ALLOWANCES

Each Councillor, other than the Chairman, is currently entitled to an annual meeting fee of \$10,455.

The Chairman is currently entitled to an annual meeting fee of \$15,682 as well as an annual Local Government fee of \$19,864.

The Deputy Chairman is currently entitled to an annual Local Government fee of \$4,966.

A provision of \$12,580 for meeting fees has been provided for deputy Councillors when deputising for a Councillor at a meeting. All fees paid to Councillors and the Chairman are paid quarterly in arrears.

The budget provided for Councilor(s) fee, allowances and expenses incorporating a 1.5%* increase from the 2017/2018 provisions is as follows:

* Subject to 2018 Salaries and Allowances (SAT) Tribunal determination.

	BUDGET 2017/2018 \$	FORECAST 2017/2018 \$	BUDGET 2018/2019 \$
Councillor(s) meeting fees	115,005	115,005	116,730
Chairman's meeting fees	15,682	15,682	15,917
Chairman's Local Government fee	19,864	19,864	20,162

That Council notes the Minutes of the Strategic Risk Steering Group meeting held 11 May 2018.

AC RESOLUTION(S)

MOVED CR MCDONNELL SECONDED CR DAW

THAT COUNCIL NOTES THE MINUTES OF THE STRATEGIC RISK STEERING GROUP MEETING HELD 11 MAY 2018.

CARRIED UNANIMOUSLY

STRATEGIC RISK STEERING GROUP MINUTES

Friday, 11 May 2018 - 2:00pm - ASCOT PLACE

1. ATTENDANCES

Peter Schneider
Hua Jer Liew
Stephen Fitzpatrick
David Ameduri

Chief Executive Officer
Director Corporate Services
Director Waste Services
Manager Financial Services

Annie Hughes-d'Aeth PA Director Corporate Services (Minutes)

2. APOLOGIES

Wendy Harris Director Regional Services

3. CONFIRMATION OF MINUTES OF THE PREVIOUS MEETING

That the minutes of the Strategic Risk Steering Group meeting held on the 14 February 2018 which have been distributed, were confirmed.

4. STRATEGIC RISK EXPOSURES

4.1 Projects/Contracts

Resource Recovery Facility

The CEO advised that the City of Bayswater had withdrawn from the Resource Recovery Facility (RRF) project.

Wood Waste To Energy Plant

The Director Waste Services advised the following:

- Variations requested and the costs of completion have been received from Anergy on the Wood Waste to Energy Plant. They have been reviewed by the Superintendent and are currently with Kott Gunning for legal review.
- The Director Waste Services, Manager Resource Recovery and the Contract Superintendent will be visiting Anergy's Bunbury facility the following week.

Leachate Project

 Contractors are proceeding with the Leachate project with completion expected in June 2018.

4.2 Market Place

The Hon. Stephen Dawson, Minister for the Environment; Disability Services, has set up a taskforce to work closely with stakeholders, including Cleanaway, to look at the impact on the economics of recyclable waste collection now that China has banned the import of contaminated recycling waste from Australia.

4.3 Reputation/Image

No matters reported.

4.4 Environmental

Director Waste Services advised that the Department of Water and Environmental Regulation (DWER) has completed their inspection of the Hazelmere Resource Recovery Park on the 10 May 2018 and found no issues of concern.

4.5 Political

Director Waste Services advised that the EMRC's submission on the Waste Avoidance and Resource Recovery Strategy Consultation Paper has been submitted.

4.6 Liability

Nil

5 RISK MANAGEMENT SYSTEM

5.1 Internal Audit Process

The EMRC is currently in the third year of the four year audit programme.

The Internal Audit review will be commencing in June 2018 for the following modules:

- Contract Management;
- HR Resource Management & OH&S;
- Procurement;
- Corporate Governance;
- Grants Management;
- · Records Management; and
- Review of Risk Management, Internal Control and Legislative Compliance.

5.2 Key Changes To System / Framework

No matters reported.

5.3 Regulatory Environment

External Audit

The Office of the Auditor General has advised that Macri Partners has been engaged as the EMRC's external auditors.

5.4 Business Continuity Planning

The Business Continuity Planning document has been updated, following consultation and feedback from EMT and Managers. The document will continually be updated to optimise the efficiency of dealing with the potential loss of the Ascot Place office building due to a catastrophic event.

5.5 Insurance Program

An update of the 2018/2019 Insurance Policies process was provided by the Manager Financial Services.

The insurance review process is underway with the 2018/2019 Insurance Renewal questionnaire being submitted to LGIS.

A meeting was held between EMRC officers and LGIS to discuss the renewal of the Council's Scheme and insurance program.

5.6 Risk Management Culture

No matters reported.

5.7 System Performance

There has been no change to the number of workers compensation claims since the last update. There remains 1 claim on a financial year to date basis compared to 3 in last financial year.

6 CONSIDERATION OF REPORTS

Nil

7 DATE AND TIME OF NEXT MEETING

Friday 10 August 2018, 2:00pm.

8 CLOSE OF MEETING

The meeting closed at 2:47pm.

13 REPORTS OF DELEGATES

Nil

14 NEW BUSINESS OF AN URGENT NATURE APPROVED BY THE CHAIRMAN OR PRESIDING MEMBER OR BY DECISION OF MEETING

Nil

15 CONFIDENTIAL MATTERS FOR WHICH THE MEETING MAY BE CLOSED TO THE PUBLIC

Nil

16 FUTURE MEETINGS OF THE AUDIT COMMITTEE

Meetings of the Audit Committee are covered under the Audit Committee Terms of Reference as follows.

"4 Meetings

- 4.1 The Audit Committee will meet as required at the discretion of the chairperson of the committee and at least three times per year to coincide with:
 - a. Approval of strategic and annual plans;
 - b. Approval of the annual budget; and
 - c. The auditor's report on the annual financial report."

Future Meetings 2018

Thursday	5	July	(if required)	at	EMRC Administration Office
Thursday	9	August	(if required)	at	EMRC Administration Office
Thursday	6	September		at	EMRC Administration Office
Thursday	4	October	(if required)	at	EMRC Administration Office
Thursday	22	November	(if required)	at	EMRC Administration Office

17 DECLARATION OF CLOSURE OF MEETING

There being no further business the meeting was closed at 6:15pm.
