SOURCE OF REPORT

Director Waste Services

Item 12.1 continued

BACKGROUND

The WMCRG was formed in 2002 with membership drawn from the member Council areas.

The purpose of the WMCRG is to:

- a. Provide ongoing input and feedback to Council through the Resource Recovery Committee (RRC) on the Community Waste Education Program;
- b. Assist the EMRC with the development of further educational (ie. communicative, participatory, consultative) requirements for the Community Waste Education Program, by identifying the information needs of different groups in the community;
- c. Provide feedback on the development of key performance indicators for the ongoing monitoring of the Community Waste Education Program;
- d. Assess the social, environmental, economic and technical issues associated with proposed resource recovery technologies and report to the RRC;
- e. Provide advice and recommendations to Council, through the RRC, on issues associated with resource recovery technologies including site selection and technology selection; and
- f. Work with the environmental, social and economic sectors in an inclusive manner to achieve balanced outcomes for future waste management in the region.

REPORT

The WMCRG has a core of long serving members who have continued to provide support and feedback to the EMRC in its waste education program and Resource Recovery Project. The membership of the WMCRG has been declining in recent years but has now stabilised with a group of nine (9) members.

The term of the current members of the WMCRG expires on 28 February 2018 and so in accordance with the Terms of Reference of the WMCRG, existing members were invited to renominate for another term of eighteen (18) months.

All existing members of the WMCRG, with the exception of Mr Berry Ambrose, have renominated for a further term of membership from 1 March 2018 to 31 August 2019. Mr Ambrose has declined to renominate for personal reasons and has served as a member of the WMCRG since its inception in 2003.

Whilst the membership is below the target of fifteen (15) members, the EMRC has struggled to recruit new members in recent years and we believe the current cohort is an adequate representation of community views across the region and are well informed on our education initiatives and the Resource Recovery Project. The existing members were selected based on their interest in waste management and waste education and their connections with other community groups.

Item 12.1 continued

The renominating existing members of the WMCRG are:

- Ms Dianne Katscherian (Chairman);
- Ms Ruth Kendall (Deputy Chairman);
- Mr Anthony Fowler;
- Ms Carmel Luck;
- Mr Edwin Dell;
- Mr Malcolm Barker;
- Mr Mark Simpson; and
- Mr Ray Lewis.

It is proposed to renew their memberships for a further term ending on 31 August 2019.

In addition, members of the EMRC Earth Carers group were approached to nominate for a term on the WMCRG. Earth Carers are members of the community who take part in the Earth Carers course to learn practical ways of reducing waste at home and in the community. Through the completion of the Earth Carers course, Earth Carers join a community of like-minded people and help to promote waste minimisation in the local community.

The Earth Carers course consists of five sessions over three weeks, and includes: guided tours, making your own green cleaning products, composting and worm farming demonstrations, learning what can be recycled in the community and tips to encourage others to reduce waste. The EMRC has been running this program since 2009 and holds two training sessions per year.

A nomination was received from Ms Belinda Hamilton. Ms Hamilton is a City of Kalamunda resident with a passion for recycling and for the last year and a half has been volunteering weekly at the Sunday Kalamunda Farmers Markets with a community stall, The Recycle inTent, which she initiated and set up herself. The nomination was assessed against the selection criteria and found to be acceptable and so this applicant is recommended for endorsement.

Discussion ensued

The CEO provided a brief overview of the long serving WMCRG members and that with the exception of Mr Berry Ambrose, remaining members accepted the invitation to renominate.

To expedite the process, graduates from the EMRC Earth Carers group were approached and Ms Hamilton accepted the nomination with the support of the WMCRG members.
