11 REPORTS OF OFFICERS

11.1 TENDER 2014-01 THE PROVISION OF GARDENING AND REHABILITATION SERVICES

REFERENCE: D2014/01910

PURPOSE OF REPORT

To advise Council of the results of Tender 2014-01 for the Provision of Gardening and Rehabilitation Services and recommend a preferred tenderer.

KEY ISSUES AND RECOMMENDATION(S)

- Gardening and rehabilitation services are required at the Red Hill Waste Management Facility and Hazelmere Resource Recovery Park, for the ongoing maintenance of gardens, assistance with rehabilitation programs and control of weeds.
- A tender for Provision of Gardening and Rehabilitation Services was advertised on 1 F ebruary 2014.
- The tender closed on 17 February 2014 and three (3) submissions were received.
- The tender submissions have been assessed and a preferred tenderer selected.

Recommendation(s)

That:

- 1. Council award Tender 2014-01 for the Provision of Gardening and Rehabilitation Services to Spuds Gardening Services for a three (3) year period, with an option to extend for two (2) single year extensions subject to satisfactory performance, as per the attached schedule of rates.
- 2. The contract rates for Tender 2014-01 be adjusted annually using the Consumer Price Index for Perth at the anniversary of the contract.
- 3. Council authorise the CEO to enter into a contract, on behalf of the EMRC, with Spuds Gardening Services in accordance with the Tender submitted, and the attached schedule of rates, subject to any minor variations that may be agreed between the CEO and Spuds Gardening Services.

SOURCE OF REPORT

Director Waste Services Manager Waste, Environmental Operations

BACKGROUND

This tender is for the provision of gardening and rehabilitation services at the Red Hill Waste Management Facility and Hazelmere Resource Recovery Park. The Contract includes all labour, plant, materials, supervision and any additional requirements for the ongoing maintenance of gardens and surrounds for the Red Hill Waste Management Facility and Hazelmere Resource Recovery Park.

The previous tender for gardening and rehabilitation services at the Red Hill Waste Management Facility and Hazelmere Resource Recovery Park was held by Spuds Gardening Services for a period of five years consisting of a three year period with two single year extensions.

Item 11.1 continued

REPORT

Gardening and Rehabilitation Services Tender 2014-01 was publicly advertised on 1 February 2014 and remained open until 17 February 2014. The tender was established for a three (3) year period, with an option to extend for two (2) single year extensions to be exercised at the sole discretion of the EMRC, exercisable by the CEO subject to satisfactory performance. Tender specification requirements included:

- Maintain gardens/landscapes at the Red Hill Waste Management Facility and Hazelmere Resource Recovery Park;
- Assist in the annual land rehabilitation program at Red Hill Waste Management Facility;
- Maintain previously revegetated areas as required at the Red Hill Waste Management Facility;
- Monitor and control weed species present at the Hazelmere Resource Recovery Park and Red Hill Waste Management Facility; and
- Assist with weed inspections at the Red Hill Waste Management Facility.

Qualitative assessment criteria included:

Criterion	Weighting
Demonstrate experience completing similar gardening services	45%
Demonstrate experience completing similar rehabilitation services	45%
Provision of a Safety Management Plan & Occupational Health and Safety Questionnaire	10%

Price was given a non-weighted criteria but was considered during the evaluation process to ensure quality gardening and rehabilitation services would be provided at a competitive price.

Three (3) tender submissions were received from the following companies:

- Spuds Gardening Services.
- Natural Area Management and Services.
- Frogmat Environmental (Australasia) Pty Ltd.

The evaluation process was completed independently by five EMRC officers. A meeting was held on the 13 March 2014 between evaluation panel members to discuss and compile findings for each tender submission.

Spuds Gardening Services had the highest evaluation score, having demonstrated the required gardening and rehabilitation experience to a high standard. Spuds Gardening Services is considered the best value for money tenderer and had positive references. Spuds Gardening Services is, therefore, recommended as the preferred tenderer at the pricing schedule supplied.

STRATEGIC/POLICY IMPLICATIONS

Key Result Area 1 – Environmental Sustainability

- 1.5 To contribute towards improved regional air, water and land quality and regional biodiversity conservation
- 1.6 To address climate change issues within the region

Item 11.1 continued

FINANCIAL IMPLICATIONS

Based on past works the financial cost of the tender is estimated to be in the order of \$100,000 per year.

SUSTAINABILITY IMPLICATIONS

The EMRC will be able to maintain compliance with ministerial conditions and proponent commitments pertaining to the progressive rehabilitation of landfill cells in accordance with Ministerial Statement 274.

11.2 DRAFT WASTE MANAGEMENT FEES AND CHARGES SCHEDULE FOR 2014/2015

REFERENCE: D2014/02058

PURPOSE OF REPORT

The purpose of this report is to provide a Draft Schedule of Fees and Charges for consideration by Council so that preliminary work on the Draft 2014/2015 Budget can be undertaken.

KEY ISSUES AND RECOMMENDATION(S)

It is proposed to amend Waste related fees and charges for 2014/2015 as follows:

- The member Council base waste disposal fee be increased to \$52.55/tonne (ex. GST), an increase
 of \$3.00 (6.05%) on the 2013/2014 base rate. The increase is required to cover increases in cell
 construction costs and anticipated increases in labour and fuel costs.
- The member Council contribution to the Secondary Waste Reserve be increased by \$2.00/tonne to \$30.00/tonne (ex. GST).
- The current Waste Education Levy of \$3.00/tonne be increased to \$3.50/tonne for member Councils.
- The Carbon Price allocation remains unchanged because at this stage the applicable legislation has not been repealed.
- No increase in the State Government's Landfill Levy of \$28.00/tonne has been announced although there is an expectation that the rate will rise in the near future.
- The total member Council general waste disposal fee be \$120.95 (ex. GST), an increase of \$5.50/tonne over the 2013/2014 general waste disposal fee.
- The member Council fee for tip passes be increased in line with the increase to the member Council disposal fee.
- The fee for the disposal of commercial waste be \$123.64/tonne (ex. GST) an increase of \$5.46/tonne or 4.62% and that the transfer station charges for general waste disposal be set to recover the full cost of disposal.
- Increase the disposal fee for member Council greenwaste from \$40.91/tonne (ex. GST) to \$49.09/tonne (ex. GST) and that for commercial uncontaminated greenwaste from \$54.55/tonne (ex. GST) to \$63.64/tonne (ex. GST). The carbon price of \$6.90/tonne is the major component of this increase.
- The 'volume' discounts applied to commercial waste and contaminated soil in excess of 15,000 tonnes and 25,000 tonnes per customer per financial year remain unchanged.
- Increase the disposal fee for mattresses at Hazelmere to \$11.82 (ex. GST) for member Council residents, \$11.82 (ex. GST) for charitable organisations and \$20.00 (ex. GST) for commercial customers.
- Prices of raw materials ex Red Hill and manufactured products have been revised as per the attached schedule of fees and charges.

Recommendation(s)

That the Draft Schedule of Fees and Charges, forming the attachment to this report, be used in developing the 2014/2015 Draft Budget.

Item 11.2 continued

SOURCE OF REPORT

Director Waste Services

BACKGROUND

Each year a Draft Schedule of Fees and Charges is prepared and, after consideration by Council, used in the development of the Draft Budget for the forthcoming year.

At the meeting held 2 J une 1999 (Ref: DMDOC/104171) Council resolved that funds, for the proposed secondary waste processing facility, should be set aside and that a contribution of \$2.00/tonne, on each tonne of member Council waste, be put into a reserve fund and that each subsequent year the contribution be increased by \$2.00/tonne.

At the meeting held 2 December 2004 (Ref: DMDOC/27617) Council resolved to adopt 'volume' discounts for commercial entities delivering large quantities of waste so as to provide incentives for large volumes of waste to be delivered and thus generate surpluses.

REPORT

The annualised consumer price index (CPI) to December 2013 was 2.9% and inflation is expected to be in the range of between 2.7% and 3.5% nationally over the next 12 months. An inflation figure of 3.5% has been taken into account when setting the fees and charges to cover expected cost increases in wages and salaries and fuel.

It is proposed the member Council base waste disposal fee be increased to \$52.55/tonne (ex. GST) an increase of \$3.00 on the 2013/2014 base rate or an increase of 6.05%. This increase is required to cover higher cell construction costs and anticipated increases in labour and fuel costs.

It is also proposed that the member Council contribution to the Secondary Waste Reserve be increased by \$2.00/tonne to \$30.00/tonne (ex. GST) to continue to build the reserve for the proposed Resource Recovery Facility at Red Hill in line with Council's previous resolution.

The current Waste Education Levy of \$3.00/tonne is proposed to be increased to \$3.50/tonne for member Councils.

It is proposed that the fee for the disposal of commercial waste be \$123.64/tonne (ex. GST) an increase of \$5.46/tonne or 4.62% which is expected to remain competitive with other sites in the metropolitan area.

It is proposed to leave the Carbon Price allocation unchanged because of the uncertainty related to repeal of the legislation. The Carbon Price (\$6.90/tonne) has been added to the greenwaste fee as a result of clarification of the current legislation.

No increase in the State Government's Landfill Levy of \$28.00/tonne has been announced and the Waste Authority has no indication that there will be an increase. Treasury could still impose an increase as occurred last time in January 2010 and there is an expectation that the rate will rise in the near future.

The asbestos disposal fees have been increased by between 2.4% and 4.0% to cover the cost of labour increases and the increase in airspace costs.

Other disposal fees have been set and the prices for Sale of Products have been set to cover costs and provide for future investment in the operations.

It is proposed that the member Council consulting fees for contaminated sites work and advice on waste management be increased by between 2.7% and 3.6%.

Item 11.2 continued

STRATEGIC/POLICY IMPLICATIONS

Key Result Area 1 - Environmental Sustainability

- 1.1 To provide sustainable waste disposal operations
- 1.2 To improve regional waste management
- 1.3 To provide resource recovery and recycling solutions in partnership with member Councils
- 1.4 To investigate leading edge waste management practices

Key Result Area 4 – Good Governance

4.4 To continue to improve financial and asset management practices

FINANCIAL IMPLICATIONS

Fees and Charges are set to ensure the costs of providing waste management services are recouped whilst minimising costs to member Councils.

SUSTAINABILITY IMPLICATIONS

Fees and Charges are set to ensure services offered are sustainable in the long term.

MEMBER COUNCIL IMPLICATIONS

Member Council	Implication Details
Town of Bassendean	7

ATTACHMENT(S)

- 1. Waste Services Proposed Schedule of Fees and Charges for 2014/2015 (Ref: D2014/02487)
- Waste Services Proposed Schedule of Fees and Charges for 2014/2015 Effective 1 January 2015 (Ref: D2014/05605)
- 3. Letter from Department of Environment Regulation on Landfill Levy (Ref: D2014/05533)

VOTING REQUIREMENT

Simple Majority

RECOMMENDATION(S)

That the Draft Schedule of Fees and Charges, forming the attachment to this report, be used in developing the 2014/2015 Draft Budget.

Discussion ensued

The Director Waste Services advised subsequent to this report, it was announced in the State Budget on 8 May 2014 that the landfill levy would be increased from \$28.00/tonne to \$55.00/tonne from 1 January 2015. Consequently the draft schedule of fees and charges tabled within this report will be valid until 31 December 2014. A new schedule will be developed to take into account the increase in landfill levy and will be effective from 1 January 2015.

Mr Coten moved an alternative recommendation subject to an amended wording of the recommendation noting that the fees and charges will change due to the increased landfill levy from 1 January 2015.

Post Meeting

A new schedule of draft fees and charges (Attachment 2) detailing the revised fees and charges effective from 1 January 2015 was developed.

A letter from the Department of Environment Regulation received subsequent to the Technical Advisory Committee meeting is attached (Attachment 3) setting out the proposed levy increase for the next 5 years.

TAC RECOMMENDATION(S)

The following alternative recommendation was tabled at the meeting.

MOVED MR COTEN

SECONDED MR ASSAAD

That the Draft Schedule of Fees and Charges, forming the attachments 1 and 2 to this report be used in developing the 2014/2015 Draft Budget.

Greenwaste - Commercial (uncontaminated - Red Hill) Greenwaste - uncontaminated (to Hazelmere)	1 tonne 1 tonne	63.64 72.73	6.36 7.27	70.00 80.00	63.64 72.73	6.36 7.27	70.00 80.00	00.00%
(Minimum charge for greenwaste 0.5 tonne)								

In the event that the weighbridges at Red Hill Waste Management Facility are not operational, vehicles will be charged according to their carrying capacity (in tounes) multiplied by the appropriate rate from the schedule of fees and charges according to the type of waste being disposed.

(Cumulative Commercial & Contaminated Soils tonnages disposed in excess of 15,000 tonnes and 25,000 tonnes over financial year are subject to a reduction of \$5.00/tonne and \$10.00/tonne respectively.)

2014/2015 Fees and Charges from 1 January 2015 reflects the increase in the State Landfill Levy from \$28 to \$55 per tonne.

Mr Peter Schneider Chief Executive Officer Eastern Metropolitan Regional Council PO Box 234 **BELMONT WA 6984**

Dear Mr Schneider

The State Government has announced the following schedule of landfill levy rates to take effect from 1 January 2015. The new levy rates will play an important role in delivering the objectives and landfill diversion targets set out in the Western Australian Waste Strategy.

Period	Putrescible Rate/tonne	Inert Rate/m3	~ Inert rate per tonne*
1 January 2015 to 30 June 2016	\$55	\$60	\$40
1 July 2016 to 30 June 2017	\$60	\$75	\$50
1 July 2017 to 30 June 2018	\$65	\$90	\$60
1 July 2018 to 30 June 2019	\$70	\$105	\$70
1 July 2019 onwards	\$70	\$105	\$70

*One cubic metre of inert waste in-situ within the landfill is treated as equivalent to 1.5 tonnes.

Licensee obligations under the Waste Avoidance and Resource Recovery Regulations 2008 and Waste Avoidance and Resource Recovery Levy Regulations 2008 for the management and payment of the landfill levy will remain unchanged following the increases.

The rate per tonne levy listed for inert landfills is provided for comparison purposes only and the existing method of calculating levy liability at inert landfills based on the volume of waste disposed to landfill will remain unchanged.

The new levy rates will impact on financial assurances that non-local government landfill operators must lodge with the Department of Environment Regulation. The financial assurance is a bank guarantee for an amount equivalent to the average amount of landfill levy that is likely to be paid by that landfill in a quarterly return period. Financial assurances are reviewed annually. The next review is due in early 2015, by which time the new landfill levy rates will be in place. Please be advised that the new levy rate will likely result in an increase in the value of the financial assurance you may need to provide at the next financial assurance review.

The Department of Environment Regulation will soon provide updated levy information on its website at <u>www.der.wa.gov.au</u>. Should you have any questions in the meantime, please contact the Executive Director of Strategic Policy and Programs, Ms Sarah McEvoy, on 6467 5543.

Yours sincerely

Banks Jase ACTING DIRECTOR GENERAL

8 May 2014

11.3 ITEMS CONTAINED IN THE INFORMATION BULLETIN

REFERENCE: D2014/04923 (TAC) - D2014/05615

The following items are included in the Information Bulletin, which accompanies the Agenda.

1. WASTE SERVICES

1.1 COUNCIL TONNAGE COMPARISONS AS AT 31 MARCH 2014 (Ref: D2014/05614)

RECOMMENDATION

That the Technical Advisory Committee notes the items contained in the Information Bulletin.

Discussion ensued

Mr Lutey queried that the tonnages were noticeably down and asked if this was anticipated when setting the 2013/2014 budget. The Director Corporate Services advised that it was not anticipated at the time of the budget setting. Council was briefed of the cessation of tonnages from City of Stirling. An initial budget/forecast review was undertaken during August 2013 and has been reflected in the financial reports since August 2013. Subsequent forecast reviews were undertaken and these are reflected in the half year review tabled with Council at its March 2014 meeting.

TAC RESOLUTION(S)

MOVED MR COTEN

SECONDED MR LUTEY

THAT THE TECHNICAL ADVISORY COMMITTEE NOTES THE ITEMS CONTAINED IN THE INFORMATION BULLETIN.

CARRIED UNANIMOUSLY

Nil

13 NEW BUSINESS OF AN URGENT NATURE APPROVED BY THE CHAIRMAN OR PRESIDING MEMBER OR BY DECISION OF MEETING

Nil

14 CONFIDENTIAL MATTERS FOR WHICH THE MEETING MAY BE CLOSED TO THE PUBLIC
